Rangers Tribute To Youngster

(Source: Hall Road Rangers)

Hall Road Rangers bosses have paid tribute to one of their players, Karl Henry, who has tragically died in a road accident.

It is thought that treacherous weather conditions caused the incident in the early hours of Friday morning as the car the 17-year-old was in caught fire.

Police are currently investigating what happened.

The NCEL have sent our condolences to Karl's family and to Hall Road Rangers whilst clubs have also been posting messages of support on the Unofficial NCEL Forum at this devastating time.

Rangers' Division One game at Pontefract Collieries on Saturday was called off as a mark of respect.

Reserve Team manager Darren Wilson told the NCEL Website: "I'd like to thank the NCEL for their condolences and also offer our deepest sympathy to Karl's family on behalf of all at Hall Road Rangers and everyone associated with the club and all at Dene Park.

"From a personal point of view as manager of Hall Road Rangers Reserves for whom Karl played, can I say how much we all thought of Karl and how highly we regarded him as a player and valuable member of the club.

"He had broken through to the first team ranks from the under 18s and then the reserves this season and a bright future lay ahead for him.

"The whole club is devastated by his loss and, as a mark of respect, all matches playable this weekend from the under 9's youth team through to the senior team have been cancelled."

Shiners Future Under Spotlight

(Source: South Normanton Athletic)

The Chairman of South Normanton Athletic Football Club, Colin Price, called a Special Meeting last weekend to try to sort out the club's future.

Due to the current lack of help given, he made an appeal for assistance from supporters and others from outside the club to assist with the day-to-day running of the football club.

Over the past few years, members of the Committee have withdrawn their services mainly due to age or illness.

Following the meeting, Colin Price said: "The Football Club is at that stage when more help is needed on match days and with such limited resources we are striving to continue at this present time.

"We cannot go on with the present situation as it is, and I am making an appeal for assistance from our supporters and indeed from others outside the club to help.

"Over the past couple of years, a number of our ageing Committee personnel have suffered greatly through illness and for the on-going future of the club, help is urgently required.

"It is imperative to attract persons who are capable of attending to the administrative duties of the Football Club, which includes the financial and legal responsibilities.

"The Social Club requires acceptable officials to govern the club in accordance with the Laws.

"Now that the club have confirmed their position in the Northern Counties East Premier League, it would be a sad affair for this great club to fold for these reasons."

He added: "In addition to the lack of support, we were forced by the League Management Committee to carry out major changes to our ground during the summer months in order to maintain our status in the League.

"We have also maintained our programme concerning improvements to the playing pitch and of course, these changes cannot continue without the necessary financial backing from sponsors.

"Both Roger Reek (Trustee) and myself both intend to relinquish our positions at the end of this current season and it is the decision of the Committee to look for a consortium to take control for the 2008/9 season.

"I would like to make it clear that we are a viable club now and would look seriously at offers, making our accounts available for anyone seriously interested in taking control.

"We would like to see the Club succeed, and obviously make progress higher up the FA Pyramid."

Anyone interested in such a takeover should contact Colin Price with their constructive plans on 07976 621614.

MATCH REVIEW

Pickering Town's participation in the North Riding Senior Cup came to an end as they lost 3-0 at Blue Square Premier side York City.

And, Tadcaster Albion's West Riding County Cup tie at Harrogate Railway has been rescheduled for next Wednesday after the Station View pitch was deemed unplayable.

(Round 35 – Sat 8th Dec)

A weekend of action that was overshadowed by the tragic death of Hall Road Rangers youngster Karl Henry in a car accident also saw many games postponed due to the bad weather.

Two of the three FA Vase games fell victim to the weather with Hallam's visit to Salford City called off just five minutes before kick-off due to a waterlogged pitch.

That game will now be played on Saturday the 15th of December, as will the other cancelled game, Studley v Gedling Town.

In the one match that did go ahead, Winterton Rangers moved through to the Fourth Round draw in an all-NCEL clash at home to Pickering Town.

Rob Northen picked up his 22nd goal of the season to put Rangers ahead on 55 minutes before Danny Clarke added their second with a minute remaining.

Liam Salt pulled one back for the Pikes in injury time but they could not find another to force extra-time.

Three games survived the bad weather in the NCEL Premier Division.

Liversedge moved up to second and are behind leaders Winterton on goal difference after a 2-1 victory at bottom side Brodsworth Welfare.

But, they had to wait until injury time to pick up the three points through Matty Fahy.

Earlier, they had cancelled out a Brodsworth first half opener from Sean Gorman with a Nicky Boshell penalty at the start of the second period.

Sedge move above Glapwell who lost their first league game of the season at Selby Town.

For the second match running, the visitors found themselves down to ten men early on as Matt Varley was sent off after twelve minutes due to deliberate handball.

Andrew Hart converted the resultant penalty to put the Robins

ahead before Bruno Holden increased their advantage in the opening minute of the second period.

Ian Brown gave Glapwell some hope when he pulled one back with ten minutes remaining.

But, substitute Tom Matthews put the matter beyond doubt in the final seconds to give Selby a 3-1 victory that moved them up to sixth.

Long Eaton United went goal crazy at Nostell Miners Welfare as they climbed to eleventh.

A Matthew McCaul penalty put the away side in the lead in the opening quarter-of-an-hour before Oli Johnson levelled matters soon after.

But, goals in the final twenty minutes from Alex Steadman and Michael Buckley gave Long Eaton a comfortable 4-1 scoreline leaving Nostell Miners Welfare without a win in eleven matches.

There were only two matches in Division One but there was no shortage of goals with twelve hitting the back of the net.

Eight of those were at the Euronics Ground as third-placed Barton Town Old Boys shared the spoils in a 4-4 draw with Dinnington who climbed up into fourth with the point.

Barton were two-up after just sixteen minutes as Matty McKay and Mark Anderson made it a perfect start for the home side.

Dinnington halved the advantage on 32 through Simon Mirfin before Craig Burdick made it 3-1 five minutes before the interval.

Ant Lynam brought the visitors back into the match on 49 minutes but Barton restored their two goal lead once again through Roy Raspin five minutes later.

Once again, though, Dinnington showed great resolve as Michael Blythen added their third before the hour mark and Lynam grabbed his second and their equaliser with just nine minutes remaining.

In the other Division One match, Leeds Met Carnegie moved up to sixth with a comfortable 4-0 victory at home to Yorkshire Amateur.

Kev Ryan and John Forrest had given them a two-goal advantage before half-time.

Then, Ryan grabbed his second before Mark Taylor concluded the scoring with seventeen minutes remaining to bring cheer to the majority of the 32 hardy souls who braved the appalling weather at Throstle Nest.

IN THE MEDIA

Keeper Jody Barford has been given the green light to start training again after four months on the sidelines.

He broke his leg during the club's pre-season throwing the Welfare Ground's plans into disarray.

Management team Richard Sennett and Mark Turner will now be hoping that Barford's return will help them in their bid to move away from the relegation zone.

Freak Floodlight Failure Hits Robins

(Source: Selby Times)

Selby Town's home game with Arnold was postponed on Saturday the 24th of November after a freak 'million-to-one chance' incident caused a floodlight failure.

Club officials accidentally cut through an underground cable while spiking the Flaxley Road pitch prior to kick off in a bid to combat the inevitable wet weather.

Maintenance workers were unable to repair the damage in time for the game.

Secretary Tommy Arkley said: "The postponement was disappointing given the circumstances. It was a million to one chance a spike hitting the cable where it did."

The bizarre incident was a double blow for the Robins after vandals once again ran amok at their Richard Street home.

Yobs smashed two windows in the press box and damaged recently repaired seating in the director's enclosure.

Tommy added: "No matter how many locks we put on all the gates, these vandals are determined to get in.

"They have bent the steel fencing in several places and either climb over locked gates or fences to cause as much damage as they can.

"We have caught them on top of the clubhouse roof before now. It is extremely frustrating."

Ammas Fundraiser For Girl With Cancer

(Source: Yorkshire Amateur)

A benefit match was held last Wednesday at Yorkshire Amateur's ground, Bracken Edge, in support of the Eden Shaw Holiday Fund.

Eden is an 11-year-old girl who has an aggressive form of cancer that affects her face, skull, arm, ribs, pelvis and thigh.

The campaign, which has been organised by the Dewsbury Reporter, hopes to raise £7,000 to send Eden on her Dream Holiday.

The game which was attended by Eden's father, Brendan, was between a Leeds & District representative team and a Yorkshire Amateur team and ended with a 4-2 win for Leeds & District.

£131 was raised with the officials donating their expenses, Yorkshire Amateur the use of the floodlights and David and Ann Packham the hospitality for officials and players.

There is a further raffle being organised which will be drawn at the clubhouse on the 15th of December.

The main prizes are a shirt signed by Tore Andre Flo donated by Leeds United and a huge cuddly dog from Dransfield's.

Tickets are available from the clubhouse on Roxholme Road which is open nightly from 6pm and from midday at weekends.

Biggest Ever Crowd Means Charity Success

(Source: Staveley Miners Welfare)

Two charities are £500 richer after the biggest ever crowd watched a match at Inkersall Road.

292 were at the NCEL Division One match on Saturday between Staveley Miners Welfare and Scarborough game.

And, as promised, Baris Group Ltd. will now donate two lots of £500 to the charities chosen by the supporters of both sides.

The home supporters chose Ashgate Hospice at Old Brampton, Chesterfield, and the away fans chose St Catherine's Hospice in Scarborough to receive the donations if the previous attendance record of 280, held since 1994, was beaten.

Baris Group Ltd. Managing Director Terry Damms said: "This was an opportunity for the club, along with Baris Group Ltd, to provide a little help to two worthwhile charities.

"And, we managed to beat the previous record attendance with a lot of hard work by everyone concerned.

"There were over 100 children and OAPs who attended the game free of charge and that was also something the club was delighted to see.

"I would like to thank both sets of supporters and everyone who helped the club to achieve its best ever attendance.

"And, the two cheques for £500 each will be winging their way to the chosen charities thanks again to Baris Group Ltd."

Toyne Urges Backers To Come Forward

(Source: Dinnington Guardian)

Dinnington Town manager Steve Toyne is appealing for sponsors to help to improve the club's 'desperate' financial situation.

Despite the team's stirring FA Cup run, when big crowds brought in much-needed revenue, the club's coffers have dwindled due to a lack of sponsorship and low attendances.

Toyne had hoped that the club's high-profile success in the FA Cup would bring new fans through the gates of Phoenix Park.

But, since 13th October when 518 people watched them crash out of the competition, the attendance figures for home games have peaked at a lowly 87.

The Dinnington boss said: "We're looking for sponsors to get involved. We're a well-run, successful club and we need people to get behind the club financially."

The club has a thriving junior section, which caters for children in the local area, but Toyne believes it could all be in jeopardy if the financial situation does not improve.

He said: "The juniors always manage to get sponsorship, but the first team don't, and if there's no first team the club will fold like a pack of cards."

"If it wasn't for the FA Cup run we would have big problems."

On the field, Toyne has steered his side to a position where wins in their games in hand could see them get into the top two of Division One.

Bus Driver Is Moorlands' Lucky Mascot

(Source: Lincoln Moorlands Railway)

Lincoln Moorlands Railway believe they have found the catalyst for an improvement in form - their bus driver.

The driver, supplied by coach company Travelwright, played a huge part in their 3-2 victory at Nostell Miners Welfare, according to Moorlands secretary, Graham Peck.

He told the club's website: "We have had the same driver for the games at Ely City in the Vase, Shirebrook Town in the League Cup and now at Nostell and he has not seen us lose yet!

"Mark is a smashing lad who really likes to watch us play and really gets into it.

"So, I have asked Travelwright if we can have him as our lucky mascot driver for all our away games.

"The players do appreciate him and if he keeps bringing us luck then that is a bonus!"

MATCH REVIEW

Ryan Malee grabbed a late consolation as the home side picked up all three points to move into sixteenth.

And, Glasshoughton Welfare stay next-to-bottom after being comprehensively beaten 3-0 at home to Maltby Main, thanks to an Ashley Longstaff hat-trick.

Meanwhile, at the top end of the table, Armthorpe Welfare tried their best to close the gap on the top four with a 2-1 home win over Selby Town.

They moved up into fifth thanks to goals from Kirk Wheeler and Liam Radford, in between was a strike for the Robins by Brenton Leister.

And, Eccleshill United climbed to sixth after Andy Howland's 55th minute goal claimed a 1-0 victory over their visitors Thackley.

The best away performance came from Hallam who had Will Tomlinson, James Tevendale, Ben Cressey and Richard Carrington find the back of the net in a 4-1 win at Parkgate.

That was after Matt Outram had given the hosts a fourteenth minute lead.

And, two late goals shared the spoils at Gedling Road where Arnold Town were held to a 1-1 draw by Mickleover Sports.

A Mark Blount penalty put Sports ahead on 79 minutes before Mark Clifford claimed the equaliser three minutes later.

Gedling Town's lead at the top of Division One stretched to two points after they came from behind twice to pick up a 2-2 draw at Bottesford Town.

Tim Wilks cancelled out a 44th minute opener from Phil Jackman, then, with nineteen minutes remaining, Carl Westcarr secured the point for the visitors after Craig Mitchell had put Bottesford back into the lead.

Second-placed Teversal were beaten 2-1 at Hall Road Rangers who climbed to sixth.

Richard Walker had put the away side ahead in the first five minutes before James McGarry struck twice in two minutes halfway through the opening period to claim the victory.

Barton Town Old Boys and Scarborough Athletic both got within touching distance of the top two with important away wins.

Barton picked up a single-goal victory at AFC Emley whilst a Ryan Blott brace and an Anthony Bowsley goal got the Seadogs a 3-0 win at Staveley Miners Welfare in front of a crowd of 292 at Inkersall Road.

Dinnington Town moved up to fifth and became the only Division One side to have claimed back-to-back victories as Michael Blythen and Ant Lynam secured a 2-0 win at home to Pontefract Collieries.

The Colls remained next-to-bottom whilst, below them, Rossington Main scored twice on their travels.

But, it still was not enough for them to pick up their first win of the season as they went down 3-2 at Yorkshire Amateur.

Lee Holmes had put them ahead on 36 minutes before Paul Graham levelled matters from the penalty spot in first-half injury time.

Two second-half goals from Simon Kirsima put the Ammas 3-1 up.

Mick Jones then made it an intriguing last twelve minutes as he grabbed Main's second.

Borrowash Victoria picked up a vital three points in a 2-0 win at home to Worsbrough Bridge Athletic with a seventh-minute strike from Phil Summerfield and late first-half own goal from Ryan Poskitt grabbing them the points.

And, Tadcaster Albion claimed a last-gasp draw at Rainworth Miners Welfare as Phil Smith struck in injury time to cancel out a goal for the home side by Andy Jones.

(Round 34 – Tue 4th Dec to Wed 5th Dec)

Winterton Rangers remained top of the NCEL Premier Division after they picked up a point at their closest rivals, Glapwell.

They will view it as an opportunity missed as their hosts had to play all but seven minutes with ten men after keeper Neil West was sent off for a second bookable offence.

But, the Hall Corner outfit showed great resilience and took the lead through Justin Burdett on 26 minutes.

Rangers then levelled in first-half injury time through Danny Clarke.

Meanwhile, Teversal and Hall Road Rangers will contest the Wilkinson Sword Trophy Final as both got through with 2-1 victories in the semis.

Teversal needed extra-time to dispatch hosts Bottesford Town after they were pegged back with an equaliser deep into second-half stoppage time.

And, Hall Road progressed after beating Gedling Town at Dene Park.

MATCH REVIEW

(Round 32 – Tue 27th Nov to Wed 28th Nov)

In a midweek dominated by County Cup matches, there were two league games – one of which saw defeat for Division One leaders Gedling Town.

They were beaten by a triple first-half salvo at Dinnington Town with an Ant Lynam brace and Michael Blythen strike giving the home side an unassailable lead by the interval.

Phil Massingham grabbed a consolation as the 3-1 scoreline saw Dinnington move up to seventh place with games in hand on all the sides above them.

Meanwhile, in the Premier Division, Hallam moved up to tenth as James Tevendale, Scott Bates and Richard Carrington found the net in a 3-1 win at home to South Normanton Athletic.

Martin Bowles got on the scoresheet for the Shiners who have now dropped into the bottom three having failed to win in their last ten league games.

Two NCEL sides overcame tricky ties against lower league opposition to get through to the Third Round of the Derbyshire Senior Cup.

Borrowash Victoria were 2-1 victors over Central Midlands outfit Blackwell Miners Welfare at the Robinson Construction Bowl.

David Leigh had put the Vics ahead before Danny Payandeh levelled matters just before the break.

Karl Payne got the winner, though, in the 50th minute.

And, two goals from Michael Allsop plus one each from Adam Holmes and Mark Strzyzewski saw Long Eaton United comfortably progress with a 4-0 win over Staffordshire County Senior League outfit Ashbourne United.

There was a thrilling all-NCEL encounter in the Quarter-Finals of the Lincolnshire Senior Trophy as Winterton Rangers won 4-2 in extra-time at Barton Town Old Boys.

Danny Clarke's 57th-minute opener for Rangers was cancelled out by Craig Burdick forcing the extra thirty minutes.

David Ricardo restored Winterton's advantage before Burdick once again got the hosts back in it.

But, two goals from Lee Mohammed in the second period of extra-time secured the victory.

Leeds Met Carnegie also played extra-time in their West Riding County Cup Second Round tie at Unibond outfit Ossett Albion.

However, a valiant effort from them was sadly unrewarded as

they bowed out 3-2 with their goals scored by Kev Ryan and James Elliott.

The other two West Riding matches were all-NCEL affairs with the home sides both progressing.

An Andy Howland brace and one from Jamie Bairstow saw Eccleshill United go through 3-1 over Pontefract Collieries.

And, first half strikes from Matthew Mathers and Luke Caulfield gave Thackley a 2-0 win over Liversedge.

(Round 33 – Sat 1st Dec)

Winterton Rangers became the new leaders of the NCEL Premier Division after hammering Shirebrook Town 5-0 at West Street.

Peter Daniel's side were four goals up by the interval after a flying start with strikes from Mark Whitehouse, two from Rob Northen and the fourth from Andy Catton.

The goal-fest slowed down after the break with Whitehouse adding his second and his team's fifth with seventeen minutes remaining to claim Rangers' fourth successive victory.

They replace Glapwell at the top who failed to score for the first time this season in the league as they were held to a goalless draw at home to Pickering Town.

Both sides maintained the division's best two unbeaten runs of thirteen and twelve matches, respectively.

The Hall Corner side dropped to second whilst the Pikes fell to fourth after they were overtaken by Liversedge who were 4-0 home winners over Nostell Miners Welfare.

Damien Melvin opened the scoring on the half-hour mark before Nicky Boshell doubled the advantage on 57 minutes, Daniel Cooper claimed the third and Melvin claimed his brace with a quarter-of-an-hour remaining.

Nostell Miners Welfare dropped to seventh and have now not won in their last ten games.

That is the second worst run in the league behind South Normanton Athletic whose goalless draw at home to Long Eaton United made it eleven matches without a victory for the Lees Lane side and kept them in the bottom three.

Brodsworth Welfare remain the basement side after a 3-1 defeat at Lincoln Moorlands Railway.

Stuart King and Matt Roche had Railway two goals ahead by halfway through the first period before a Nick Robinson penalty stretched their lead going into the break.
