## Submerged Football Club In Jeopardy

(Source: Wetherby News)

### The future of Tadcaster Albion could be in jeopardy after flooding caused extensive damage to their clubhouse.

Chairman Kevin Dery fears the club may now fold unless extra financial backing to cover the regeneration costs is found in the next few months, reports *Wetherby News*.

It is the latest set-back for the team after an arson attack caused more than £10,000 worth of damage to the clubhouse at the end of last year.

Mr Dery strongly believes this latest tragedy could mark the end of Tadcaster's proud 116-year football club history with the latest estimated clean up now in the region of £10,000.

"It's been one problem after another at the club, first the arson and now this," said Mr Dery this week.

"We're hoping there is interest from the local community and businesses around the town to help us out because if there isn't it will make it very hard to continue.

"We can't put a price on the scale of the damage but we're looking in the region of £10,000.

"But it could be more if we have to rip the floorboards out and the carpets and refurbish the whole place again."

Tadcaster's pitch is situated at the back of the John Smith's Brewery on Ings Lane, in close proximity to the River Wharfe.

Heavy rain caused the river to burst its banks submerging the playing surface and later the clubhouse.

"Over the years I have seen some serious flooding here but this year has been worse than the floods in 2000 and 2001," continued Mr Dery.

"Five years ago we were quoted £16,000 to insure against the flooding and I think that will have risen to around £20,000 now and that's money we simply can't afford.

"It seems to be getting worse every year and now it's becoming very hard and expensive to get compensation for the club because we're so close to the river and on a flood plain."

Mr Dery has now mooted the prospect of relocating the club away from their current location to prevent a repeat of the incident.

He's also asking for help from the Tadcaster community to turn the situation around.

"We've got to seriously look at the possibility of relocation because we can't go on like we are," he said.

"Whether that is moving out of the area I don't know. I hope not

Check out the official NCEL website at [www.ncel.org.uk](http://www.ncel.org.uk)

because we've been part of the Tadcaster community for years and we would be sad to move.

"Hopefully now the residents of the town come and help us out. We've been part of the community for a long time and there are a loyal number of supporters who come down here each week who will miss it."

## Six Of The Worst For Railway

(Source: Lincoln Moorlands Railway)

### NCEL Premier Division side Lincoln Moorlands Railway feel certain they have claimed an unwanted record having conceded a penalty in no less than six consecutive games.

Secretary Graham Peck said: "I have never seen anything like it.

"The run of penalties started at Winterton Rangers on Boxing Day and ended against Eccleshill United last Wednesday.

"I would challenge any team at any level of football to have endured such bad luck. I might even contact the Guinness Book of Records!

"Although we lost against Mickleover on Saturday, we hope we have broken the penalty voodoo sign on us as, at least, we didn't concede one in the game.

"Our club have always wanted a bit of fame for something, but this fame we could well do without.

"It's rather ironic as well that our young goalkeeper Phil McGann made his debut against the first of them and has faced every one of them so far - not the best start to his career at the club.

"I think everyone at the club must have each broken a mirror in the last few weeks."

The club are now keen to hear from anyone who has had a similar record and are asked to e-mail Graham with the details at [g.peck@ntlworld.com](mailto:g.peck@ntlworld.com).

## Friends In Football Helps Worsbrough

(Source: Sheffield & Hallamshire FA)

### Worsbrough Bridge Athletic have been donated new equipment by Friends In Football, an initiative being run by the Sheffield & Hallamshire FA.

The campaign was launched to help local football clubs with their own ground that fell victim to last summer's floods.

Chief Executive James Hope-Gill said: "We're aware that a number of clubs suffered severe damage as a result of the bad weather.

"The flooding to some grounds has caused hundreds of pounds worth of damage, not only to the pitch, but to floodlights, changing rooms and the clubhouse.

"The County FA are able to donate some equipment to help these clubs get back on their feet and back to playing football."

Many of the area's football clubs rely on fund raising and donations to survive and recovering from the flood damage has hit them hard.

The Sheffield & Hallamshire County FA have recognised the hardship that these clubs now find themselves in and are dedicated to helping clubs recover from this awful disaster which has affected so many people throughout the region.

The damage caused to the ground at Worsbrough Bridge was substantial where the water level in places was fourteen feet deep.

Charlie Wyatt, Secretary for Worsbrough Bridge, said: "The donation by the County FA is very much appreciated it all helps us to recover some of the equipment we lost.

"We are slowly re-building the facilities but the fund raising for repairs goes on."

## Leeds Met Player Selected For England

(Source: Leeds Met Carnegie)

## Leeds Met Carnegie's Luke Wildman has won a call up to the England Universities Football Squad.

He is in the initial squad of 28 players that, after a series of warm-up games, will be reduced to 20 to compete at April's British University Games in Scotland.

They were selected after representing the Northern Universities Team, coached by John Hall, in a two day tournament in Warwick.

Wildman is a defender who played for the West Riding County FA and Farsley Celtic Reserves before signing for Carnegie this season. He has been ever present in both the BUSA and NCEL teams.

He is one of two Leeds Met Carnegie students to be in the squad.

Goalkeeper Jonathan McLaughlin recently played for Harrogate Railway in the televised FA Cup game against Mansfield Town but now turns out for neighbours Harrogate Town.

John Hall, Carnegie Director of Football and Northern Universities Manager, said: "I'm delighted for Jonathan and Luke who have done exceptionally well throughout the selection process.

"They are both great lads who are committed to their sport and are fully deserving of their selection.

"Both players were outstanding at the weekend which not only looked at their playing ability but also their suitability to be part of a group in tournament conditions.

"Hopefully, they can impress enough in the warm up games to be selected for British University Games in Scotland."

## Main Say Welcome Home To Duo

## Maltby Main manager Sean Kay believes the return of top scorer Ashley Longstaff and goalkeeper Liam Richardson is a massive boost.

Longstaff contacted Kay about coming back to Muglet Lane after being left on the sidelines at Goole.

And, the Maltby boss welcomed him with open arms, playing him in the goalless draw at home to Shirebrook Town.

Kay told the *Dinnington Guardian*: "When he left, he had thirteen goals under his belt. He went to Goole and scored a hat-trick on his debut, but they rotate their squad and he was left out for a few games.

"He thought he needed to be playing and rang up and asked if he could come to watch on Saturday and then told me he wanted to come back, so I threw him straight in against Shirebrook.

"He never stopped running and gave them a headache."

Meanwhile, Richardson was first choice goalkeeper at Lincoln United but, according to Kay, missed the camaraderie of the Maltby dressing room.

Kay said: "Liam told me he wasn't enjoying his football at Lincoln United so he came back and kept the first clean sheet we've had in a long time. The defence looked happy in front of him and he was very confident in goal."

Another welcome addition to the Muglet Lane staff is Kay's new right-hand man Bob Bradbury.

The Maltby boss said: "Bob has worked for many years with Paul Mitchell and followed him to Gainsborough Trinity.

"He came in on Saturday and said we had a brilliant dressing room and a great team spirit, we just need to start scoring goals."

## Vics Add Spencer To Squad

(Source: Borrowash Victoria)

## Borrowash Victoria have persuaded attacker Rob Spencer to move to them from local rivals Mickleover Sports.

Delighted boss Mark Wilson said: "Rob is quick and gives us another dimension either up front or out wide.

"I have been after him for a while as our squad has shown and proven to me that we need a shake up.

"He is our fifth signing and it shows I will not tolerate from my players what I have been seeing.

"Some of them had their chance and blew it!"

## Thumbs Up For Gedling Management Duo

(Source: Gedling Town)

**Gedling Town have confirmed that caretaker bosses John Humphries and Tony Cox have been appointed as managers until the end of the season.**

And, there is a very good chance that they will be given new contracts for the beginning of the next campaign.

Club spokesperson Wayne Griffin said: "Director Roland Ash has every confidence in the duo's ability and is very pleased with what they have done with the club since the departure of Lee Wilson and Jimmy Albans.

"All the back-room staff are working hard to take Gedling Town to the next level."

## Berry Parts Company With Glasshoughton

(Source: Glasshoughton Welfare)

**Ashley Berry has left his coaching role at the NCEL Premier Division's bottom side Glasshoughton Welfare after less than four weeks at Leeds Road.**

According to the club, the experienced ex-Bridlington Town manager quit late on Friday after a disagreement over team selection with boss, Dave Holmes.

Berry had been assisting Holmes in Glasshoughton's fight to progress from the foot of the Premier League for the last month.

However, since his arrival the club had suffered three league defeats and elimination from the League Cup.

A statement from the club said: "Berry had introduced several new faces into the club but their presence has had minimal impact and, in Holmes view, was possibly hindering the progress of some of the club's players from the junior ranks.

"The disruption resulted in a very minimal squad travelling to high-flying Glapwell on Saturday as several players chose to follow Berry out of the club.

"But the performance by Glasshoughton was outstanding as the patched-up team, with goalkeeper Matty Wright filling-in at centre forward, gained a creditable point in a 1-1 draw and perhaps commenced a late charge up the table."

## Colls' Learning Difficulties Team Boost

(Source: Pontefract Collieries)

**Pontefract Collieries have been surprised by the amount of interest for a football team dedicated to people with learning difficulties in the town.**

The club put a tentative enquiry in to their local paper, Pontefract &

Castleford Express, about plans to set up the side and have been overwhelmed by the response.

A spokesperson for the NCEL Division One outfit said: "Our launch date is Saturday 9th February at 11am and is initially aimed at 15-year-olds and upwards.

"Should this be successful, as we expect, then other teams will follow, especially for children as we have also experienced interest from youngsters desperate to play football.

"Everyone is welcome and please bring your boots for what we are hoping will be lots of fun.

"Anyone wishing to get involved and help are also welcome and we can put them in the direction of coaching courses etc. if they wish.

"Once coaching sessions get underway, we will soon be looking at arranging competitive matches with other teams in surrounding areas as we are already experiencing interest from outside Pontefract for matches."

## Seadogs Raise Money For Boro

(Source: Scarborough Athletic)

**Scarborough Athletic fans have dipped into their pockets to help another NCEL club.**

A collection held at their game with AFC Emley on Saturday raised £111.50 for the Worsbrough Bridge club.

Following Boro's visit and the witnessing of their devastation caused by the floods of last year, the collection was organised and the proceeds passed on to the Barnsley based team.

The club have thanked all supporters who generously donated.

## Programme Awards Now Open

(Source: Programme Monthly)

**Clubs are being urged to enter this season's Non-League Programme Of The Year awards.**

The annual competition, that is now being run by the publication Programme Monthly, require two programmes as soon as possible, preferably from a Saturday League match, to help with their judging.

One copy will be sent to their team of markers whilst the other will be retained for illustrative purposes before being forwarded to the publishers of the Non-League Club Directory for next season's edition.

The address to send the programmes to is: Programme Monthly, PO Box 3236, Norwich, NR7 7BE.

# MATCH REVIEW

**(Round 49 – Mon 28th Jan to Wed 30th Jan)**

**Barton Town Old Boys produced the shock of the League Cup Third Round by beating Premier Division side South Normanton Athletic.**

Craig Burdick's 22nd-minute strike was enough to send the Division One hosts through to the last eight in a midweek that saw the Quarter-Final line-up completed.

Barton will now be at home to Lincoln Moorlands Railway who progressed at home to Eccleshill United the previous week.

All the other ties went as expected although Rainworth Miners Welfare came to within a penalty shoot-out of knocking out UniBond promotion favourites, Glapwell.

They came from behind with a Matt Varley own goal fifteen minutes from the end of normal time to force a further half-hour after Nathan Hollingworth had given the visitors the lead in the opening period.

With no further goals, the game was decided on spot kicks with Rainworth's Craig Hall being the unfortunate one to miss as Glapwell went through 5-4 on penalties.

Glapwell will now entertain Parkgate who beat visitors Glasshoughton Welfare by a single goal, Jon Pickess with the strike five minutes from time.

A brace from Brenton Leister, with one from the penalty spot, towards the beginning and the end of the game saw Selby Town through 2-0 at home to Borrowwash Victoria.

They will now face Winterton Rangers at the Flaxley Road Ground after the Premier Division leaders won 5-1 against visitors Hall Road Rangers.

Second half strikes from James Tevendale and Scott Bates set up a Quarter-Final home tie against Bottesford Town for Hallam after they secured a 2-0 home win over Armthorpe Welfare. Meanwhile, there was disappointment for the remaining two NCEL clubs in the West Riding County Cup as both bowed out at the Third Round stage.

Eccleshill United and Thackley had been given tough trips to UniBond opposition.

Cameron Kerin got on the scoresheet for Eccleshill but they went down 4-1 at Bradford Park Avenue.

And, Thackley went ahead through an early Danny Forrest penalty at Harrogate Railway but two goals in the last six minutes saw the hosts progress with a 3-1 victory.

Leeds Met Carnegie went down 3-2 at Northumbria University in BUSA Premier League North.

**(Round 50 – Sat 2nd Feb)**

**Winterton Rangers' lead at the top of the Premier Division grew to five points after their 3-0 win at Armthorpe Welfare.**

A first-half brace from Andy Holt added to by a Rob Northen strike on 57 minutes made it a comfortable victory for Peter Daniel's side as their nearest rival slipped up.

Glapwell were surprisingly held to a 1-1 draw at home by bottom side Glasshoughton Welfare who produced a gutsy performance to take a point from Hall Corner.

A Dane Whittleston own goal had seemingly put Glapwell on their way after five minutes but Lewis Wallace's 40th-minute strike upset the form book.

Third-placed Liversedge gained some ground with a 3-1 win at Mickleover Sports opening a nine-point gap between themselves and the side below them, Pickering Town, who were involved in one of seven games in the League that were called off due to frozen pitches.

Selby Town missed out on a chance to move up from fifth as they were held to a 1-1 draw at home to Long Eaton United.

And, they needed an Adam Russell goal on the stroke of half-time to earn that after Courtney Bonnick had put the visitors ahead.

Parkgate climbed to eighth as a couple from Steve Ward gave them a 2-0 win at home to Eccleshill United.

And, Arnold also moved up one place to tenth as they beat next-to-bottom Lincoln Moorlands Railway at Gedling Road.

Mark O'Dea had put the Eagles ahead on 32 minutes before Craig Bridge levelled matters soon after.

Craig Mitchell helped them regain the lead in the second half before Ashley Harrison made sure of the points in injury time.

A hat-trick from Ant Lynam in a 4-2 win over Scarborough Athletic meant that Dinnington Town's lead at the top of Division One stretched to five points.

Lynam is now the league's top scorer with 29 goals in all matches.

Grant Allott also found the net for Dinnington whilst Ryan Morton and Craig Hogg converted for the Seadogs.

Rainworth Miners Welfare climbed to fourth after strikes from Andy Jones and Mark Draper saw them win 2-0 at Hall Road Rangers, making it just one defeat in ten league games for Rudy Funk's side.

Leeds Met Carnegie and Barton Town Old Boys were also climbers after they both picked up victories against the bottom two sides.

Leeds Met moved to sixth with a 4-2 win at basement outfit, Pontefract Collieries, one place above Barton who, thanks to a Gareth Barlow hat-trick, cantered to a 7-3 home victory over Rossington Main.

And, Dempsey Smith's injury-time strike for Yorkshire Amateur earned them a point in a 2-2 draw at Borrowwash Victoria.

# MATCH REVIEW

**(Round 47 – Tue 22nd Jan to Wed 23rd Jan)**

**Hallam climbed up to sixth in the NCEL Premier Division with a 2-0 win at Glasshoughton Welfare on Tuesday evening.**

Two goals by Rob Ward in the opening ten minutes of the second period were enough to settle the tie and make it four wins out of five for the Sandygate side as their season turns around.

That was the only league game with two cup matches and one friendly making up the rest of the schedule on Wednesday night.

Glapwell produced a fantastic result to reach the Semi-Finals of the Derbyshire Senior Cup as Michael Fox scored in the third minute of extra-time in a 2-1 win at UniBond outfit, Ilkeston Town.

Lincoln Moorlands Railway booked their place in the Quarter-Finals of the NCEL League Cup with a 3-1 win at home to Eccleshill United and now go to Barton Town Old Boys in the last eight.

And, Luke Smith grabbed Gedling Town's only goal in a 3-1 friendly defeat at Eastwood Town.

**(Round 48 – Sat 26th Jan to Sun 27th Jan)**

**The FA Vase trail is over for this season for the NCEL after Pickering Town were beaten in extra-time at Merstham.**

Steve Baxter had put the Pikes into an early lead in the Fourth Round tie at the Combined Counties League outfit.

But, they were immediately pegged back by Michael Morgan before Matt Francis put the hosts ahead with twenty minutes remaining.

Baxter added his second, however, to force extra time but it was Merstham who claimed a place in the last sixteen with goals in each period from Mark Simmons and Kwabema Agyei in a 4-2 victory.

A Rob Northen brace ensured Winterton Rangers kept a three point lead at the top of the Premier Division in a 2-1 win at Arnold Town.

The home side had gone ahead in the first half through Craig Mitchell but Northen popped up twice in the second period, once from the penalty spot, to claim the three points.

With Rangers not applying to move up to the UniBond League, Glapwell kept themselves firmly in pole position for promotion with a dramatic 3-2 victory at Eccleshill United.

All the goals came in the last half hour of the game with three in the final five minutes as Mark Nangle opened the scoring for Glapwell, Ben Hardy levelled matters on 75 and the visitors grabbed a two-goal lead with a double strike from Nangle and Ashley Grayson.

Chris Rosindale pulled one back from the penalty spot in injury time but Les McJannet's side held on for the win.

Third-placed Liversedge lost a little ground as they were held to a 1-1 draw at home to fifth-placed Selby Town.

Bruno Holden grabbed a point for the Robins with a goal eleven

minutes from time after Darryll Leach had put the hosts in front early in the second period.

Glasshoughton Welfare remained eight points adrift at the bottom of the Premier Division after a 2-1 defeat at home to Armthorpe Welfare, a win that propelled Armthorpe up into seventh.

The other two teams in the bottom three, Lincoln Moorlands Railway and South Normanton Athletic, also failed to pick up points.

Railway were beaten 3-1 at home to Mickleover Sports whilst South Normanton Athletic, who played most of the game with ten men after keeper Ross Whalin was sent off, lost 4-1 at Parkgate.

Brodsworth Welfare's recent good form continued as a 4-0 win at home to Thackley moved them out of the bottom four with Ryan Malee grabbing a hat-trick after Liam Wilkins had opened the scoring towards the end of the opening period.

And, Malby Main were held to a goalless draw at home to Shirebrook Town, with the visitors rueing a missed penalty.

The top three sides in Division One all won as the title chase and promotion race continues to hot up.

Michael Blythen scored all Dinnington Town's goals in a 3-1 win at Rainworth Miners Welfare to keep them two points clear at the top.

Second-placed Bottesford Town kept on their tail, however, as strikes from Craig Mitchell, Simon Roach and James Leach claimed a comfortable 3-0 victory over visitors Borrowwash Victoria.

And, Gedling Town kept themselves in the hunt as a couple of goals in the opening ten minutes from Will Heath saw them win 2-1 at home to Barton Town Old Boys.

Teversal remained fourth as Dean Short's 58th-minute strike picked up a point in a 1-1 draw at Leeds Met Carnegie after Paul Harrison had given the hosts an early lead.

Rossington Main moved off the bottom of Division One as they beat Pontefract Collieries 3-0 at home to dump Ponte to the basement.

Lee Holmes struck twice before the hour mark before an injury time Bradley Billam goal ensured victory.

Daniel Simpson's twelfth-minute goal was enough for Staveley Miners Welfare at home to Tadcaster Albion whilst Yorkshire Amateur beat visitors Worsbrough Bridge Athletic 2-0.

538 people watched a rare Sunday game in the NCEL and it was a match full of drama and controversy.

Three players were sent off in the 2-2 draw between Scarborough Athletic and AFC Emley, with two from the home side and the visitors' keeper all getting their marching orders.

And, investigations are taking place into reports of a fracas in the tunnel at full-time.
