Respect

RESPECT INITIATIVE LAUNCHED

Plans have been unveiled for **Respect**, a cross-game programme dedicated to improving standards of behaviour at all levels of football.

The programme will be implemented in professional and grassroots football and will encompass not only respect towards match officials but also the conduct of overly-competitive coaches and parents on the sidelines at grassroots youth games.

It's a shared commitment between The FA, Premier League, Football League, PFA, LMA, PGMO, County FAs and regional and local leagues.

A range of new measures will be put in place to improve the relationship between players and match officials and conduct in the technical area at the top end of the game.

And, in the non-league, measures will be

implemented to address the abuse and intimidation of referees and the excessive demands placed on young players.

There will also be a number of competition-specific initiatives.

That started with The FA Community Shield on Sunday 10 August, including big screen messages, perimeter board advertising, and promotional films.

At NCEL level, the introduction of two objectives are being considered.

They will deal the referee working with the team captain on the day to effectively manage the game and the pre-match fair play handshake.

Both will be discussed at the League's Management's Board Meeting on Thursday (21st August) and clubs will be informed of the decision and their duties afterwards.

WELFARE LOOKING GOOD!

Glasshoughton Welfare showed off their new kit, supplied by League sponsors KoolSport and sponsored by Cowell Construction, earlier this month.

They are one of eight clubs to go with the Thailand-based company ahead of a full integration with the League for the 2009/10 season.

Those with a free kit are Bottesford Town, Grimsby Borough, Pickering Town, Rossington Main, Selby Town, Teversal and Yorkshire Amateur.

KOOLSPORT SPONSOR REDDITCH

Northern Counties East League sponsors KoolSport have continued to build their profile in the UK by forging a link with Blue Square North outfit, Redditch United.

They will be the Valley Stadium side's new international sponsors and kit suppliers for the next two seasons.

The club's managing director, Peter Finnegan, recently returned from Thailand after agreeing the partnership and is looking forward to bringing the directors over to Redditch.

Finnegan said: "KoolSport are already sponsoring the Northern Counties East League and wanted to make the step up to Conference standard.

"They provide kit to Premiership teams in their country and internationally in Asia and Europe so we are honoured they have chosen Redditch to demonstrate their unique designs and digital garments and sportswear here in the UK.

"We feel with international, regional and local backing this is beginning of a new era at the club, we are progressing our youth teams well and our involvement in the community is at an all time high."

KEEPER JOINS IRON

(Source: Scunthorpe Telegraph)
Bottesford Town's young goalkeeper Sam Slocombe has signed a six-month contract with Scunthorpe United.

The highly-rated 20-year-old will stay with the Iron until January, when the club will make a decision on his future.

Slocombe, who played as a young lad at Lincoln City, trained with the first-team squad today and was named as a substitute for Saturday's League One match at Walsall.

But that doesn't bother the latest recruit who was just thankful for the chance to be at the club.

"It's just great to get the opportunity, I'm really grateful to them for giving me the opportunity but I've just got to take it now" he said.

"I'm from Scunthorpe, just up the road actually, so I was a fan before playing Saturday football got in the way."

Goalkeeping coach Kevin Pressman admitted it wasn't ideal timing but felt the former Bottesford man could be worth signing up for longer than his initial short term deal.

"To get Sam in and to work with him is great and also to push him on, personally I've got high hopes for him" he said.

"I'm expecting him to come on and improve and show that he's worthy of a longer contract and a future with the club - that's my goal."

NORTHEN GOES NORTH

(Source: Winterton Rangers)
Winterton Rangers' top goal-getter Rob Northen has finally succumbed to the lure of a higher division by signing for North Ferriby United earlier this week.

The striker had attracted a lot of interest after being the League's top goalscorer last season but had stayed with the West Street side until the approach from the UniBond League side.

A club spokesman said: "We are sad to see Robby go, but understand fully why he has taken the opportunity to move up two divisions.

"Rob is a real talent and a gentleman and he will be missed by the club.

"It will be strange not to see him, his mum and Dad and Daughter around, and we wish him every success."

Manager Pete Daniel, though, has had some good news in the week when he bagged the signing of ex-UniBond player Ian Twichen.

Pete has been following Ian's career since they worked together early in Twichen's career at Pontefract Collieries, and is delighted Ian has decided to come to Rangers.

JEWELLERY CLAMPDOWN

(Source: The FA)

There were be a "zero tolerance" attitude to jewellery worn by players this season.

Match Officials are being reminded that Law 4 states: "A player must not use equipment or wear anything which is dangerous to himself or another player including any kind of jewellery."

The FA says that all jewellery, including plain wedding rings, must be removed. The Referee's decision is final and players in contravention of this Law must not be allowed to enter the field of play.

And, Match Officials are also to incorporate a footwear inspection into the pre-match safety check of players' equipment. This will take place before entry to the field of play immediately prior to the game.

Poorly maintained studs or blades on the sole of the boot can constitute a danger.

The Football Association offers the following guidelines:

"When inspecting footwear, officials are to be alert to the possibility of the edge of the blades or studs developing rough areas on either the plastic or metal used in their construction.

"These burrs can become very sharp and have been the cause of lacerations on opponents. If match officials are concerned over the condition of the blades or studs, they should refuse to sanction their use until they have been made safe.

"If evidence emerges during the game e.g. torn stockings, lacerations, the referee may wish to follow up the inspection with the player(s) concerned during a stoppage."

Referees are to report to the KoolSport Northern Counties East League any instance where the kick-off has been delayed, as a result of the footwear inspection.

IN THE NEWS

The KoolSport NCEL Premier Division Goal Rush

This season, an important milestone will be reached in the KoolSport Northern Counties East League Premier Division.

The 30,000th top flight goal is set to be scored in the 2008/09 campaign.

Since its inception in 1982 to the end of last season, the Premier Division saw the ball hit the back of the net 29,447 times.

That means that the 553rd goal that will be scored this season will break through the 30,000 barrier.

To celebrate this occasion, the League will be handing out a special award to the club and the player who hit the momentous goal.

Our sponsors, KoolSport, will also be providing an award.

More details will be announced as we get closer to the target.

A special goalometer will be put on the home page of the website to count down to the 30,000th goal whilst a running total will be on the front cover of the NCEL Newsletter.

Let the goal rush begin!

Manager Darren Bland said: "This is a real boost for us just before the campaign begins. To sign a player of Rob's quality and experience is fantastic!

"Rob is a proven goalscorer and I believe there aren't many better at this level at doing what he does. He will give us a completely different option up front.

"I've wanted to sign Rob for a while but things just never seemed to materialise. Finally, patience has paid off and we've got our man."

Hallam have also signed Richard Elson from Worsborough Bridge, Zach Law from Buxton, Wes Hill from Parkgate and Chris Wood from Wakefield.

NCEL Match Review #1 - 10th August, 2008

The new KoolSport Northern Counties East League season started on Saturday with a goal feast – with 74 goals scored in just nineteen games.

Forty of them came in the Premier Division with six teams winning away from home in their opening matches.

The widest margin of victory came from Thackley who beat hosts Brodsworth Welfare 5-0 thanks to the first hat-trick of the season in the top flight, scored by Chris Coy. Karl Wisdon picked up the other two goals.

But, they were not the top scorers. That accolade went to Hallam who were 6-2 winners at Shirebrook Town.

Six of the game's goals came in a hectic opening period with James Tevendale, Richard Patterson, Richard Carrington and a Dean Short own goal putting the visitors well ahead despite strikes from Lee Hunt and Adam Kimberley for the home side.

Hallam added two more after the break from Carrington and Tom Kotylo to make sure of the win.

A brace from Luke Sherman helped Liversedge to a 4-0 win at an injury-ravaged Dinnington Town to make it a miserable afternoon for last season's Division One champions.

Bridlington Town, who are looking for a quick return to the UniBond League, were 3-1 winners at Hall Road Rangers.

Two goals in a minute round the hour mark from Craig Palmer put them on their way before Jamie Barnwell pulled one back late on.

However, Chibuzor Chilaka quickly restored their two goal lead.

Rob Eeles and Wayne Aziz found the net for Pickering Town in a 2-0 win at Lincoln Moorlands Railway whilst Dan Martin and Tony Law struck in the second half for Mickleover Sports as they came from behind to beat hosts Eccleshill United 2-1.

Defending champions Winterton Rangers had a comfortable start as they defeated visitors Armthorpe Welfare 5-2.

Last season's NCEL top scorer continued where he left off as Rob Northen struck twice, once from the penalty spot. Long Eaton United won 3-0 at home to Maltby Main whilst Selby Town defeated Parkgate 2-1 at the Flaxley Road Ground.

The only draw on the opening day came at Nostell Miners Welfare who were held 1-1 by visitors Arnold Town who equalised with five minutes to go through Deon Meikle.

Away clubs had the better of the matches in Division One as well with six of the nine matches ending in victory for the visitors.

It was a good start for the League's new clubs as Hemsworth Miners Welfare, Brighouse Town and Grimsby Borough all won whilst Askern Villa picked up a point at Scarborough Athletic.

A hat-trick in the opening 51 minutes from Damion Liddle helped Hemsworth to a 4-1 win at Rossington Main whilst Brighouse were 2-0 victors at Teversal thanks to late goals from John Booth and Jordan Maltas.

Michael King, Richard Peck and Kevin Short earned Grimsby Borough a comfortable 3-1 win at Yorkshire Amateur.

And, Askern came from two goals down to draw 2-2 at Scarborough. Andy Waulkden and Gary Evans claimed the point after the Seadogs had put themselves in control with two early Dave Thompson strikes.

Rainworth Miners Welfare conceded in the first four minutes at Pontefract Collieries as Craig Rouse put the home side ahead.

But, the Wrens then cantered to a 4-1 win with goals from Alan Jefferies, Jermain Hollis, Lee Soar and Malc Brown.

Lee Garside scored twice for Worsbrough Bridge Athletic as they won 3-2 at Tadcaster Albion whilst Bottesford Town were 2-1 victors at Leeds Carnegie.

Relegated Glasshoughton Welfare lost 3-1 at Staveley Miners Welfare whilst Barton Town Old Boys began with a home win, despatching AFC Emley 2-0.

NCEL Match Review #2 - 14th August, 2008

Hallam are the early pacesetters on goal difference after a 4-0 win at Lincoln Moorlands Railway on Wednesday night.

Following on from their 6-2 weekend victory over Shirebrook Town, they continued their excellent start to the season by being three-up by half-time with goals from James Tevendale, David Knaggs and Rob Ward.

Tom Kotylo added the fourth on the hour mark.

Hallam are one of six sides on six points after the opening two rounds of the KoolSport NCEL Premier Division season.

Liversedge are second after a 4-1 win at home to Shirebrook Town as Graham Sides, Brook Newton, Luke Sherman and Jermaine Moyce scored in the comfortable victory.

Joe Naylor hit the net for Shirebrook who are in the bottom two after their two heavy opening defeats.

A hat-trick from Craig Palmer, with one from the penalty spot, helped Bridlington Town to a dramatic 5-3 home win over Dinnington Town.

The Queensgate outfit are third on goal difference ahead of defending champions Winterton Rangers who, thanks to a 62nd-minute goal from Matthew Plant, won 1-0 at Thackley.

Pickering Town also made it two wins out of two in a seven-goal thriller at Selby Town with Chris Batchelor scoring the winner in a 4-3 victory in the fifth minute of injury time.

MATCH REVIEW

And, Mickleover Sports complete the sides with six points after their 3-1 victory at Brodsworth Welfare with Ricky Law and Mark Finlay putting them two-up by the hour mark.

Liam Wilkin pulled one back for Welfare but Dave Middleditch made sure of the win two minutes from time. Brodsworth are bottom of the table following that defeat.

A Jamie Jones 23rd minute goal saw Parkgate win 1-0 at Long Eaton United whilst Hall Road Rangers also were victorious on their travels, 2-1 at Armthorpe Welfare.

They came from behind with goals in the last twelve minutes from Jamie Barnwell and Lee Harper.

And, Maltby Main won 1-0 at home to Nostell Miners Welfare as Paul Staniforth's seventh-minute strike separated the sides.

Rainworth Miners Welfare lead the way in Division One after a narrow 1-0 victory over visitors Scarborough Athletic.

Danny Naylor snatched the points for the Wrens in the 88th minute in front of a crowd of 215.

Rossington Main were 4-2 winners at home to Bottesford Town with Lee Holmes grabbing a hat-trick for the hosts.

But, the other three games all went the away team's way.

Dempsey Smith struck with two minutes remaining to give Yorkshire Amateur a 2-1 win at Brighouse Town and there were 3-2 victories for AFC Emley and Teversal at Askern Villa and Tadcaster Albion, respectively.

NCEL Match Review #3 - 18th August, 2008

Twelve KoolSport NCEL sides made it through to the Preliminary Round of the FA Cup at the weekend with a further two involved in replay action this midweek.

There were five all-NCEL ties and, in keeping with the way the League fixtures have been panning out, it was the away sides who had the greater success.

Kelvin Mushambi's 78th-minute strike saw Long Eaton United progress with a 2-1 win at Arnold Town whilst a triple salvo in six minutes from Winterton Rangers, including two from Danny Clarke, saw them through by beating Barton Town Old Boys 3-1.

That was after Barton had taken the lead in the opening thirty seconds through Tom Lee.

There was late drama at Muglet Lane as Greg Mason scored in the 89th minute to seemingly earn Maltby Main a 3-3 draw at home to Bottesford Town.

But, seconds later, Phil Jackman grabbed his second of the game to send Bottesford through with a 4-3 victory.

Armthorpe Welfare cruised to a 5-0 win at home to Yorkshire

Amateur. Gary Jones had them ahead by half-time before they sped away in the second period with goals from Danny Sharpe, Ricky Sharp and a late brace from Stuart Preston.

Then, on Sunday, Pickering Town defeated visitors Liversedge 4-1.

Three teams won on their travels at other League opposition.

Malc Brown scored a couple of late goals as Rainworth Miners Welfare won 2-1 at Dudley Town whilst Mickleover Sports were comfortable victors at Wellington as they won 4-1 with goals from Mark Finlay, Liam Walsh, Karl Ashton and Dan Martin.

And, Selby Town wrapped up their 3-1 victory at Seaham Red Star with all their goals in the first half.

A Craig Palmer hat-trick took his tally already for this season to eight as Bridlington Town won 3-2 at home to Guisborough Town whilst Darren Fell struck twice as Brodsworth Welfare beat visitors Ashton Town 2-1.

Shirebrook Town progressed with an injury time winner from Nat Watson in the 3-2 victory at home to Causeway United and a Scott Ellis double helped Staveley Miners Welfare to a 3-1 win over visitors Bridgnorth Town.

Oli Johnson earned Nostell Miners Welfare a replay as his last-gasp goal claimed a 3-3 draw at Winsford United.

And, Glasshoughton Welfare left it almost as late to fix up a return tie on Wednesday as Michael Amos struck in the 89th minute to make it 2-2 at home to Billingham Synthonia.

Those sadly bowing out of the FA Cup were AFC Emley, Dinnington Town, Eccleshill United, Hall Road Rangers, Hallam, Leeds Carnegie, Lincoln Moorlands Railway, Parkgate, Pontefract Collieries, Rossington Main, Tadcaster Albion, Teversal and Thackley.

NCEL new boys Hemsworth Miners Welfare moved to the top of Division One, meanwhile, with a 2-1 win at home to another new side, Grimsby Borough.

Graham Philips earned them the victory on 70 minutes after Ben Mortlock had cancelled out their opener from Lee Swift.

Worsbrough Bridge Athletic are now third after a 4-2 win at Askern Villa with two early goals from Ryan Pleasants setting them on their way although they didn't make sure of the victory until Ryan Poskitt's strike on 89 minutes.

And, it was an eight-goal thriller as Brighouse Town were held to a 4-4 draw at home to Appleby Frodingham.

Brighouse looked to be on the way to the win when John Booth grabbed his second and his side's fourth to give them a two-goal cushion going into the last five minutes.

But, Ryan Hibbard struck twice for App-Frod to earn them what had seemed to be an unlikely point.
