## Long Eaton, Nostell and Staveley are Cup Winners

(Source: KoolSport NCEL)

Long Eaton United, Nostell Miners Welfare and Staveley Miners Welfare all signed off their seasons by picking up a piece of NCEL silverware.

Long Eaton were 3-0 winners over Selby Town in the League Cup Final that took place at Staveley Miners Welfare's Inkersall Road Ground on Monday.

A last-minute winner from Francis Johnson saw Nostell picked up the Presidents Cup trophy after a 3-2 aggregate victory over Scarborough Athletic.

And, Staveley Miners Welfare won by the same scoreline over Pontefract Collieries in the Wilkinson Sword Trophy.

Congratulations to all three teams and commiserations to all the runners-up.

## Points Deduction for Eccleshill United

(Source: KoolSport NCEL)

KoolSport NCEL Premier Division side Eccleshill United have been deducted three points for fielding an ineligible player.

Ashley Grayson took part in their 4-1 league win over Dinnington Town in March whilst unregistered.

The deduction does not affect the Eagles' final spot as they had already been confirmed as the bottom side in the Premier Division but they now end the season on 17 points.

The Plumpton Park side were also fined £100.

## Prem Clubs Get Ground All-Clear

(Source: KoolSport NCEL)

It has been confirmed that all of our current KoolSport NCEL Premier Division sides have achieved the minimum ground grading required.

Clubs who had not achieved the 'F' grade by the end of March were at risk of being relegated from the top flight.

Nine teams were assessed by ground graders - Armthorpe

Welfare, Brodsworth Welfare, Dinnington Town, Hall Road Rangers, Lincoln Moorlands Railway, Liversedge, Nostell Miners Welfare, Parkgate and Selby Town.

The Football Association has confirmed that all were found to be up-to-standard meaning that no side will be relegated due to ground grading issues.

## Race Wins Race for Hallam Job

(Source: Hallam FC)

Hallam Football Club have announced the appointment of Wilf Race as their new first team manager.

He replaces Ronnie Akers who left the club last month.

He is an experienced manager having been in charge at both Maltby Main and Parkgate in the NCEL and he is no stranger to Sandygate having had a spell as assistant manager during the 2007/08 season.

He will be assisted by Kenny Geelan who began his playing career with Sheffield United and was also with Burton Albion, Buxton and Stocksbridge Park before managing in the NCEL himself at Staveley Miners Welfare.

He also previously worked with Wilf Race at Maltby.

## Brid Management Duo Leave Club

(Source: Bridlington Town)

Tim Hotte and Gary Allanson have ended weeks of speculation by resigning as managers of Bridlington Town.

The news was broken in the dressing room after the 2-2 draw at Nostell Miners Welfare in the KoolSport NCEL Premier Division at the end of April.

A club spokesperson said: "Tim and Gary feel they have taken the club as far as they can and want to hand over the managerial reins to someone else who will carry on the work they have started.

"Tim and Gary thanked the players for the commitment and support they have given the club and the management.

"It goes without saying that all connected with Bridlington

# IN THE NEWS

Town thank Tim and Gary for the time and effort they have given this season in assembling a squad to score over 100 league goals.

"Bridlington Town wish Tim and Gary all the best for the future both professionally and personally.

"Fans will have a chance to thank the popular duo in person at the presentation night on Friday 15th May in the clubhouse at 8pm."

Chairman Peter Smurthwaite said: "I would thank them for the excellent work they have done for the club this season.

"The team have been in the top four virtually all season and reached the final of the ERCFA Senior Cup at the KC Stadium.

"They encouraged the team to play an entertaining style of football and after the struggle of the previous two seasons have now given the club a good foundation to build and it is a pity they are not able to carry on the good work themselves.

"The reasons for leaving I understand are personal and I can only respect their decision and wish them well for the future.

"I would also comment I had no problems whatsoever working with them and they always acted as professionally as they could and showed an example of excellent discipline and attitude in the technical area.

"I now need to act as quickly as I can to engage another suitable manager and should anyone feel they have the correct CV and experience please contact me on my mobile number, 07979 245852.

"I have also spoken to the players and asked them to stay with the club and hope they can help build on this season's success."

## Newton Steps Down as Sedge Boss

(Source: *Liversedge FC*)

**Steve Newton has stood down as Liversedge's first team manager.**

Team members were informed of his decision at the club's Presentation Night on Friday 1st May.

The club committee have thanked Steve and his assistant

David Gibson for their work and commitment to the club for the last two seasons.

In his first year as manager, Steve guided the first team to fourth in the NCEL Premier Division and won the President's Cup.

This season, Steve has given everything for the club despite the many changes in playing staff and difficult economic climate that has forced the club to re-evaluate its finances several times over the season.

Steve has also given many of the under 19's youngsters their chance in the first team - a policy that was strongly backed by the committee, and that is seen as vital to the long term future of the club.

The club are now inviting applications for the roles of First Team Manager and Coach in writing to Liversedge FC, Quaker Lane, Liversedge, West Yorkshire, WF15 8DF by Friday (15th).

## Winterton Rangers Management Duo Resign

(Source: *Winterton Rangers*)

**Winterton Rangers management duo, Peter Daniel and Dave Robinson, have decided to step down.**

The KoolSport NCEL Premier Division side have thanked Pete and Dave for their hard work during the five years at the club.

Winterton were a mid-table first Division side when they took over mid-season and they formed a side that has reached two County Cup finals, gained promotion from the First Division as runners-up before capturing a superb League and Cup double in 2007/08.

Last season, results were hampered with injury, but the team still managed a creditable fifth place and a League Cup Semi-Final and County Cup Final.

Chairman Dave Crowder said: "We have the utmost respect and gratitude for Pete and Dave and all they have done and all they have achieved here at Winterton.

"I had a long conversation with Pete and respect their decision to leave."

He went on to say: "We have had a great run together,

enjoying some fantastic football along the way. We wish them both the very best for the future."

Winterton Rangers are now looking for applicants for the Position of First Team Manager.

Applicants should contact the club by the 22nd of May either via e-mail at [wrfc@talktalk.net](mailto:wrfc@talktalk.net) or in writing to Winterton Rangers, 54 West Street, Winterton, Nth. Lincs, DN15 9QF.

## Former NCEL Boss "Ready to Return"

**A former Northern Counties East League boss has said "come and get me" as he looks to return after two years away from the game.**

Eugene Lacy says he is keen on a return to the League that he left following his resignation from Liversedge in December 2006.

It brought to an end a four year stay for him at the Clayborn Ground where he got the club to the Fourth Qualifying Round of the FA Cup and lifted the League Cup.

The club also finished second in the Premier Division in the 2005/06 season but they were overlooked for promotion due to ground issues with third-placed Harrogate Railway going up instead.

Speaking to the KoolSport NCEL website, Lacy said: "After a couple of seasons out of the game, I am looking to get back into management.

"My assistant/coach, Kym Farrand, has been pestering me to get another job since we quit Liversedge. It's not something you just do but, after the disappointment of not being promoted with Buxton due to the ground not being up to scratch, it is now something we feel we are ready for.

"The season we did not go up should have been the season we quit, but foolishly we believed all we heard and stayed on.

"I do want to get back into the game and hopefully recreate the side and togetherness we had at Sedge, but this time with someone who is ambitious enough to go along with us.

"With the contacts I have in the game both on and off the field, coupled with a chairman that shares our targets, goals and aspirations, who knows."

Liversedge have hit back furiously at Lacy's claims that the club had given him false hopes and were not forward-thinking.

Secretary Bryan Oakes said: "Liversedge celebrate their centenary next season and, without a hard working committee and ambition by the people whom have served the club still trying to reach their ambitions, the achievement would not have been possible.

"I must remind the person complaining because he didn't get the promotion he thought he deserved that the club will always be here promoting sport to the best level it can long after that person has gone and taken what he can from the game."

## Clubs Invited to Trials of Youngsters

**(Source: Progression 09)**  
**There will be a chance this week for KoolSport NCEL sides to have a look at youngsters released by professional clubs.**

Regional events are taking place across the country in the 'Progression 2009 - The Assessment Trials' run by the League Football Education and the Professional Footballers' Association.

Our area's trials will be at Bradford City on Thursday 14th May between 5pm and 9pm.

The trials have been organised on a regional basis and in the evening.

This is in order to give club representatives and/or scouts time to travel and to meet other commitments during the day.

Entry to all club representatives and/or scouts is free and hospitality will be provided throughout the evening.

The trials will be attended by apprentices and first year professional players (in their under 19 year) who have been let go from various Premier League and Football League clubs.

Anyone wanting to attend is asked to fill in the form that can be found at [www.progression09.com/files/Club-ScoutInterestForm.pdf](http://www.progression09.com/files/Club-ScoutInterestForm.pdf).

Details of how and where to send it are on the form.

## Brighouse Grab Major Sponsor

(Source: *Brighouse Town*)

**Brighouse Town have announced that they have signed a major three-year sponsorship deal.**

Dual Seal Glass Ltd will be their first team shirt sponsor and, in what is a first for the club, their St Giles Road ground will now be known as the Dual Seal Stadium as part of the agreement.

Dual Seal Glass Ltd, of Huddersfield, is one of the UK's leading independent processors of high performance glass for the construction industry.

They have supplied all the glass for the Chelsea FC state-of-the-art training facility in Cobham, Surrey, the new MK Dons stadium at Milton Keynes and the new Huddersfield University building on the ring road.

The firm says it is delighted to be getting behind Brighouse Town.

Club chairman, Chris Lister, said: "We were looking for a new main sponsor to come on board to help us complete the necessary ground work we had agreed to undertake to be allowed to enter the Northern Counties East League.

"The deal with Dual Seal has allowed us to complete that work and now we are looking at the next step of adding public toilets and covered standing for 100 people at the ground which would give us a facility that would pass the Premier Division criteria.

"I would like to thank Dual Seal Director Nigel Meredith for his support in helping us towards our aim to build Brighouse Town into a club the local community can be proud of."

## Coy is the Boy at Dennyfield

(Source: *Telegraph & Argus*)

**In his first season with Thackley, and despite missing several games through injury, striker Chris Coy has set a new scoring record for the Dennyfield outfit, writes the *Telegraph & Argus*.**

Coy began his career in the youth ranks at Sheffield Wednesday and has attracted interest from clubs higher up the pyramid system since Reds boss Billy Fox brought him in at the start of the season.

And, a hat-trick at Eccleshill United in their final match of the season took him to 36 league goals for the campaign.

Club secretary and press officer Chris Frank said: "I have checked the records and that is the best for us at this level.

"We have been in this division for 26 years, since its inception in 1982. In fact, we are the only ever-present club in that period of time.

"When Chris scored a hat-trick in the 7-2 win at Nostell on Easter Saturday, he equalled the club record and, when he scored the winner in the 2-1 victory at home to Bridlington Town, he set a new total. That goal took him past Stuart Taylor's 32 league goals in the 1994-95 season."

Taylor went on to play for Accrington Stanley and later joined a very elite group – along with former England international and Huddersfield Town legend Frank Worthington – by scoring a hat-trick on his Guiseley debut.

Coy has so far spurned attention from UniBond League and Blue Square North clubs and Thackley have had the foresight to place him on contract, so there would be some compensation were he to move on before the club do.

## Funk Praise for Other Clubs, Wrens Price Freeze

(Source: *Rainworth Miners Welfare*)

**Rainworth Miners Welfare boss Rudy Funk took time out from his club's promotion to pay tribute to the other sides he has faced this season.**

He said: "Looking back on the season overall it's difficult to put into words.

"What amazed me the most was that we went to clubs who made us welcome and then gave us a tough game, which I always take as a matter of respect.

"I would underline that the NCEL Division One is one of the most competitive divisions in the country, because it's strong.

"And, you see some tremendous football played between teams and clubs who have the utmost respect for each other.

"As an example, after our promotion was confirmed I was inundated by phone calls and messages of congratulations

and good wishes from managers and officials of just about every other club in the league, and from players themselves.

"So I want to say to each and every single club, thank you for your good wishes, and may you one day enjoy the same success as we have achieved this season.

"You really find out how close you are to people at other clubs and although we have battled against you in your turn week in and week out, what a fantastic bunch of people the managers and players in this division have been.

"We have loved every minute in your company."

Meanwhile, the Wrens have announced that there will be no increase in admission charges when they compete in the KoolSport NCEL Premier Division next season.

They say it is as a reward for their fans' loyal support through the season.

The Wrens announced this week that they would freeze their charges at the current level of £4 and £2 concessions in a division where the vast majority of clubs have a £5 admission charge.

Secretary Les Lee said: "We are keeping prices at their present level because we want to attract more of the Rainworth public through our gates rather than seeing them driving out of the village to watch other clubs in the area.

"Our last two home matches both attracted three-figure crowds and we are looking for these to be the norm when we play at the higher level, so maybe if we hold our charges down it will not only reward our supporters for their backing this season, but also attract more of the local community through our gates."

Season tickets, which are valid only for league matches, will cost £60 with £30 concessions applicable to juniors, and retired over-60s.

## Seadogs in Talks Over Move

(Source: Scarborough Evening News)  
Scarborough Evening News reports that Scarborough Athletic are in talks with a secondary school with a view to playing their home matches there.

The team is currently playing its home fixtures eighteen miles away at Queensgate in Bridlington, but is now

negotiating with George Pindar Community Sports College in the hope of finding a temporary new ground at a proposed football stadium within the school grounds.

Athletic was hoping to move to a new community multi-function sports complex to be built by Scarborough Council but fears it could be put on hold due to the recession.

The team has now been promoted to the KoolSport NCEL Premier Division after spending two seasons in Division One.

Club chairman Simon Cope said: "We recognise that any new development is still many years away, and that leaves the club in something of a quandary.

"We cannot stay at Queensgate indefinitely, and recognise that many ex-Scarborough FC fans have yet to make the trip through to Bridlington for various reasons.

"The George Pindar scheme has the potential to be a temporary home for Boro in the short term and we are exploring every avenue, both positive and negative, connected with the club moving there."

## Legends Back Eagles in Charity Match

(Source: Telegraph & Argus)  
Bradford City legends played a fundraising football match to help out a struggling KoolSport Northern Counties East League club, writes the Telegraph & Argus.

Bantams bosses Stuart McCall, Wayne Jacobs and David Wetherall, joined big names Dean Windass and John Hendrie playing at Plumpton Park, Wrose, against the Eccleshill United select XI last month in front of hundreds of fans.

The City side may have come out on top on the day, winning 1-0, but Eccleshill still have a lot to gain from the event.

It was organised after the club, known to fans as the Eagles, contacted Bradford City's director of operations David Baldwin two months ago to ask their Football League neighbours for help.

Club secretary Mark Holstead said: "We have been having problems financially over the last six months or so.

"We hope to raise a lot of money from the event."

# IN THE NEWS

Eccleshill have faced trouble both on and off the pitch in past months, with a recent relegation and money worries which almost caused the club to fold.

"We need events like this so football can continue in the area next season," said Mr Holstead.

"I think for the community it is absolutely vital the team continues to exist. Players come here from as young as six and up – football has been part of our community for many years now. It is so important and the club really needs a boost.

"It came very close to closing in recent months but events like this should hopefully put us back on our feet."

## Long Eaton Charity Donation

This season's KoolSport NCEL League Cup winners have chosen the charity that will benefit from a £500 donation.

The money was put forward by Cup Final hosts Staveley Miners Welfare and their main sponsor Baris Group Ltd.

Long Eaton United, who beat Selby Town 3-0 on Monday to lift the trophy, were asked to nominate a good cause.

They decided on the Ronald MacDonald House Charity that supports families with children in hospital.

## AFC Emley Repeat Seadog Award Success

The West Yorkshire club, who won last season's inaugural trophy, again topped polls with 31% of the vote with Matt Lawson, editor of the club's fanzine, saying: "I am delighted to announce Emley as the worthy winners of this trophy.

"We won 6-1 at the Welfare Ground which was a great result and we were given a friendly welcome as always by the club.

"Many Boro fans were expecting Teversal to be up there as that is where we gained promotion to the NCEL Premier

Division but it is Emley who came out on top."

Teversal were runners-up in the competition with 25% of the vote and the club's Fourth Round FA Vase trip to Bideford came in third with 14%.

The next issue of the fanzine is due out at the beginning of the 2009/10 season.

## NCEL Match Review #71 - 1st May, 2009

**Congratulations to Nostell Miners Welfare and Staveley Miners Welfare who both lifted silverware in a Cup Final filled midweek of action.**

A last minute winner from Francis Johnson earned Nostell a 2-1 Presidents Cup Final Second Leg victory that saw them beat hosts Scarborough Athletic 3-2 on aggregate.

Dave Watts had put them ahead on four minutes before a quick equaliser from the Seadogs' Daniel Gray.

And, in the Second Leg of the Wilkinson Sword Trophy Final, hosts Staveley beat Pontefract Collieries by the same scoreline on the night and on aggregate to pick up the trophy for the second time.

Ryan Damms put them ahead on 40 minutes before Mark Lafferty levelled early in the second half.

But, a Lee Gregory penalty on the hour mark ensured the victory for the Inkersall Road side.

Selby Town claimed their place in next week's League Cup Final with a dramatic 4-3 win at Winterton Rangers.

The hosts had taken the lead on 22 minutes from Andy Holt and it stayed that way until the last eighteen minutes when the floodgates opened.

Ryan Paczkowski made it 2-0 before a Steve Lyon penalty pulled one back for Selby.

Leigh Wood and Dean Wilburn then gave the visitors a 3-2 advantage with six minutes remaining but Paczkowski grabbed his second and Winterton's third to force extra time.

Tom Matthews grabbed the vital seventh goal of the evening on 109 minutes to send the Robins through to face Long Eaton United at Staveley on Bank Holiday Monday.

Two of our sides visited Football League grounds in their respective County Cup competitions and, despite good performances against UniBond League opposition, neither could bring home the trophy.

Bridlington Town went ahead at Hull City against North Ferriby United in the East Riding Senior Cup Final but the Villagers ultimately prevailed 3-1.

And, Brodsworth Welfare went down 3-0 to Stocksbridge Park Steels in the Sheffield & Hallamshire Senior Cup Final.

Brett Lovell, a Jordon Shephard own goal and the third from Vill Powell secured the win at Hillsborough.

Long Eaton missed out on a chance to go second in their penultimate KoolSport NCEL Premier Division match.

Joe Connor, Darren Clough and Chris Batchelor all scored in a 3-0 win for hosts, Pickering Town, who take the last available Presidents Cup spot for next season.

A brace each from Phil Jackman and Paul Wilson helped Hall Road Rangers to a 7-2 win at home to Armthorpe Welfare.

And, on Thursday, two days after lifting the Presidents Cup, Nostell got over the shock of conceding two early goals through Jamie Heard and Nathan Hotte to draw 2-2 at home to Bridlington Town.

Dave Nicholas and Danny Highley found the net for Alan Colquhoun's side.

## NCEL Match Review #72 - 5th May, 2009

**Long Eaton United lifted the KoolSport NCEL League Cup trophy and claimed second place in the Premier Division in the final round of matches over the Bank Holiday weekend.**

Firstly, they won 4-0 at home to Hall Road Rangers on Saturday to finish runners-up, seven points behind League champions Mickelover Sports.

Alex Steadman gave them a first-half lead before Paul Gamble doubled their advantage after the break and then Nathan Parker and Steadman made sure of the victory in the last ten minutes.

And then, on Monday, they won the League Cup by beating the team they leapfrogged over in the Premier Division two days earlier.

They came up against Selby Town at Staveley Miners Welfare's Inkersall Road ground where they picked up a deserved 3-0 victory.

Nathan Parker opened the scoring on 25 minutes and then Kevin Mabon made sure with a quickfire double around the hour mark to put the Derbyshire side's name on the trophy for the first time.

In the other Premier Division game played on Saturday, Winterton Rangers claimed a top five finish with a 2-0 win at Nostell Miners Welfare.
