

<< "This club is underpinned by the ethos of youth. This week's events will not change the direction of the club.

"Yes, it needs the hand of experience to compliment the youth ethos, but it is a pointless exercise if the club does not provide opportunities and commitment and playing time to the ethos of youth and those from which the new era's wildest dreams began from its embryo stage many years ago and this will remain whilst ever it is so prudent.

"Players and managers will come and go and everyone has that choice but what will not go is the ethos, that is, whilst ever the current Chairman and Vice Chairman continue to back this club."

Darren Bland released the following statement on Saturday morning: "During my time at Staveley Miners Welfare I have given the job 100% and am sorry to have left the club where, along the way, I have had the privilege to meet and work with some really nice people. I feel I need to state my reasons for leaving to those people.

"When I was first offered the position of manager, I was told all about the ethos of youth and how the club was to be built around 4/5 players and I bought into the ethos as an exciting challenge.

"In my time, I have included all 4/5 players in every squad that has been named and also brought through the young players that in my opinion are very close to regular first team football.

"Only this Tuesday night against Clitheroe at home, we had three players from the U19's on the pitch at one time, this showing my commitment to the ethos as I understood it.

"However, when buying into the ethos, I was never told or I misunderstood that the 4/5 players were to have preferential treatment and play at least 75% of the games played.

"My philosophy as a manager is that all players should be equal and not one player

should receive preferential treatment regardless of who they are.

"If they have played professional football or Sunday league football for their local pub team, you should earn your shirt and then look after it once you have it, and regardless of who you are you should keep it, with this in mind myself and John made our decision.

"I would like to place on record how much respect for the time, effort and finance that Terry and Tony both put into the club and they have every right to want to see players playing who they have known from children.

"I would like to wish Staveley Miners Welfare all the very best for the future."

30th August, 2009 Phillips Returns to Seadogs Fold

(Source: Scarborough Athletic)

Scarborough Athletic have brought midfielder Scott Phillips back into their first team squad after he apologised for his behaviour at an FA Cup match earlier this month.

The club said that Phillips were not in their "immediate plans" following his actions when he was substituted in his side's defeat at home to Guisborough Town.

He has publicly said sorry for throwing his shirt to the floor and arguing with supporters.

Now, in a statement, the club have said: "We recognise that in hindsight the punishment decided upon after the incident involving Scott at the Guisborough game may have been too harsh, and that our judgement may have been clouded following the Jamie Waltham incident.

"We also recognise the fact that Scott apologised to both the supporters and club officials straight away, and has shown great remorse for his actions.

"Whilst the club does not condone any actions which may be of detriment to the team and the harmony in the squad, we take the view that Scott has done everything correctly since the incident, including applying himself properly when asked to appear for the Reserve team last week.

"We are sure that Scott will have learnt a great deal from the incident and subsequent temporary removal from the first team squad, and with this in mind all concerned are happy that Scott will be allowed to take his place in the first team squad once again, should he be selected by the manager."

Phillips took part in yesterday's 1-0 Premier Division victory at Dinnington Town.

Funk Supports

Seadogs U-Turn

(Source: Rainworth Miners Welf)

Rainworth Miners Welfare boss Rudy Funk has supported Scarborough Athletic's decision to bring back Scott Phillips - even though the midfielder scored twice against his Wrens side.

Phillips ensured a 2-0 win for the Seadogs on Bank Holiday Monday.

He had been sacked by the club for his over the top reaction to being substituted during an FA Cup tie against Guisborough, but apologised and was allowed to return.

Funk said: "I admire Scott Phillips, he's a magnificent player and, if it had happened at our club I would probably have forgiven him even quicker than they did after his apology.

"When you have a player of that quality sometimes you have to accept the bit of baggage that he brings."

Reflecting on the defeat at Queensgate, the Wrens boss added: "I can't argue - we lost to a penalty and a wonderful header, and my only grouse is that some of our lads did not seem to turn up - we were a bit lethargic and let ourselves down in the final third.

"We created so much movement towards that final third and then let ourselves down, which is something we have to address.

"But a massive well done to Scarborough, they look to have put their early blip behind them."

All Change at Hemsworth

(Source: Hemsworth Miners Welf)

Roly Lanes has joined Hemsworth Miners Welfare as assistant manager following the departure of Wayne Benn.

Benn has gone to Bradford Park Avenue where he will take charge of their Reserve side, and Hemsworth has thanked Wayne for his short period at the club and the help he has given them.

Lanes leaves his post as Hall Green United manager to join Andy Cracknell as the men in charge.

He will be best remembered for the years spent at Pontefract Collieries and has a wealth of experience at this level that will be a great asset for the manager.

Coach Shane Phillips has stepped down to help out with the reserves whilst Javed Dar has joined the club as Main Physiotherapist while Tony Polson will remain as Match day Physio.

The club's Commercial Managers are now Billy Rowett and John Walstow.

NCEL Welcome Farsley Survival

(Source: KoolSport NCEL)

The KoolSport NCEL is delighted at the news that former member club Farsley Celtic has been saved from closure.

An as yet unnamed consortium came forward yesterday at the eleventh hour to rescue the Blue Square North side after the club had formally resigned from their League.

Its closure could have impacted on the NCEL as Division One side Leeds Carnegie use Farsley's Throstle Nest ground for their home matches.

The League were kept fully notified by Carnegie of all developments throughout this week.

And, the Management Board were pleased that, as soon as the news broke that Farsley were in trouble, two other NCEL clubs came forward and offered to share their ground with Leeds Carnegie.

This spirit of co-operation by teams and the helping out of fellow sides who may be in trouble is something that the League is delighted to see.

5th September, 2009 PS3 Glee for Long Eaton's Paolo

(Source: Derby Telegraph)

The Derby Telegraph reports that a whip-round by Long Eaton United has brought a smile to the face of leg break victim, Paolo Piliero.

The striker has got an unexpected present of a PlayStation 3 following his injury in last Saturday's 2-0 FA Cup defeat by Loughborough Dynamo.

Piliero broke both his tibia and fibula in the game and underwent an operation to pin his leg later that day.

His team-mates and club officials were so upset for the 22-year-old, who lives in Long Eaton, that they decided to have a collection, with one of the opposition fans donating £50.

Piliero said: "It was a complete surprise and has touched me. I didn't know what to say.

"I received £400 from the club and sent my girlfriend, Vicky, out to buy me a PS3.

"A few of the lads are coming round to my mum's house in Trowell, where I'm staying because it is easier to get around, to play on the PS3 with me.

"My leg is in plaster all the way up to my thigh, so being at mum's house means that I'm being well looked after!"

Long Eaton manager Mark Harvey says that the gesture of his players and the club's supporters shows that football is not all about money and glamour.

"We're not a rich club but we're close knit and Paolo is very well thought of," said Harvey.

"The lads all decided to donate their wages, which isn't much, to Paolo and my wife did a collection, too.

"One of the Loughborough Dynamo supporters donated £50, which is incredible and we rang him up afterwards to thank him.

"Paolo hardly missed a game for us last season and we're disappointed that he has suffered this terrible injury but it wasn't a particularly malicious challenge by the Loughborough player.

"Thankfully, there was no ligament damage and Paolo is hopeful of being back in action before the end of the year, fingers crossed."

9th August, 2009 - Match Review #1

Hallam sit top of the first Premier Division table of the new KoolSport NCEL campaign having thumped nine past hosts Brodsworth Welfare.

Andrew Wood and Gary Hibbert gave them a perfect start with a two-goal cushion after just four minutes of the season.

Gary Mundy pulled one back for Welfare but, after that, it was all the visitors as Simon Asquith and Matthew Griffin gave them a 4-1 advantage by the break.

Wood got his second and Gavin Gould struck their sixth before Joe Boggild netted a five-minute hat-trick at the end of the game to compound Brodsworth's misery.

Both of the top flight's new sides tasted defeat in their first games since promotion from Division One last season.

Scarborough Athletic went down 2-1 at Nostell Miners Welfare, with the hosts playing most of the game with ten men after Tom Williamson was shown a red card.

Darren Rushton snatched the victory for Nostell with a last gasp winner - that was after Graham Botham had restored parity for the Seadogs following a Paul Bedford opener.

Rainworth Miners Welfare were given a rough welcome to the Premier Division as they lost 4-0 at home to Winterton Rangers, thanks to an early Rob Northen strike, two goals from Gary Jones and another from Robert Sanderson.

Long Eaton United are many people's outside bet for the title after a very good pre-season but they ended up on the wrong end of a 1-0 scoreline at Maltby Main.

Two goals from Craig Palmer helped Bridlington Town to a 4-1 victory over visitors Pickering Town whilst Mark Clifford's 12th-minute strike saw Arnold Town win 1-0 over Parkgate, the first time in over 40 years that their opening game was at home.

The remaining four matches all went the way of the visiting side with Selby Town enjoying a 5-0 rout of hosts Thackley.

Liam Radford struck twice whilst a Steve Lyon goal made it 3-0 by the interval before Lyon got his second and Stuart Dove completed the scoring with fifteen minutes remaining.

Liam Hardy bagged an opening day hat-trick as Armthorpe Welfare won 3-0 at Shirebrook Town whilst Dinnington Town claimed a single goal victory at Lincoln Moorlands Railway, thanks to Grant Allott's 64th-minute strike.

And, Hall Road Rangers were 2-0 winners at Liversedge with goals from James McGarry and Phil Jackman.

Tadcaster Albion are the early leaders in Division One, a league that many believe will be a tight one this year.

And, that view's been bolstered by the opening day's results in which Taddy were the only side to win by more than one goal.

They were 3-1 victors at Rossington Main with Derminder Pal Panesar making sure of the win on 89 minutes after Kevin Smith and Danny Pitts had also found the net.

Bottesford Town, Brighouse Town and Appleby Frodingham all picked up 3-2 wins on their travels.

It was a strange match all round for Bottesford at Teversal where the game was delayed for around forty minutes due to the non-appearance of one of the match officials.

And then, when the game got underway, three penalties were awarded in the opening quarter of the match with Paul Chatterton netting twice for Bottesford before Dean Short did the same for the hosts.

Short levelled on 38 minutes but Chatterton claimed his hat-trick with seven minutes remaining to give the visitors the win.

Brighouse came from two-down to beat hosts Eccleshill United who had gone into the lead with goals from Lee Cornforth and Darren Fletcher in the opening twenty minutes.

Lee Malcher started the comeback just before the hour mark and then Kieran Corley and Damian Melvin made sure of the win with twelve minute to go.

And, Danny Ricketts grabbed the winner for App-Frod at Hemsworth Miners Welfare with ten minutes remaining.

That was after Damion Liddle had scored a brace for the home side and Ryan Hibbard had done likewise for the visitors.

James Naylor and Curtis Walker struck in the first twenty-two minutes to earn Askern Villa a 2-1 victory at home to Barton Town Old Boys.

Pontefract Collieries snatched a point a 2-2 draw with visitors Yorkshire Amateur, Carl Fothergill with an injury-time equaliser.

And, the spoils were shared by the same scoreline in Staveley Miners Welfare's match at home to Worsbrough Bridge Athletic.

13th August, 2009 - Match Review #2
AFC Emley now top KoolSport NCEL Division One after the first round of matches was completed in midweek.

They claimed a 6-3 victory in a thrilling match at home to Grimsby Borough on Wednesday night.

Gavin Armitage and Joe Howson had given them a two-goal cushion in the opening twenty minutes before Richard Creer pulled one back for Borough on the half-hour.

It was 4-2 by the interval as a Josh Nodder brace extended the home side's lead before Daniel Taylor bagged the visitors' second.

Emley's Steven Kenworthy and Simeon Fletcher then put the game beyond doubt before the hour mark and John Toyne claimed a late consolation for Borough.

In the other game to have been played, Leeds Carnegie won 2-0 at home to Glasshoughton Welfare on Monday night.

Matt Chilton and Chibuzor Chilaka grabbed the goals towards the beginning and end of the game.

In two friendlies played in midweek, Pickering Town went down 3-2 against a visiting Leeds United XI, Dave Thompson and Lyle Hillier with strikes for the Pikes.

And, Hallam won 6-0 at Hemsworth Miners Welfare with Matthew Wragg grabbing a couple whilst Adam Tyler, Jonathan Wragg, Phil Smith and Keir Hannity got on to the scoresheet.

17th August, 2009 - Match Review #3
Only six KoolSport NCEL teams secured a place in the next round of the FA Cup in what was a disappointing weekend for our sides.

28 clubs were hoping to make it through to the Preliminary Round of the world's oldest Cup competition.

Fifteen of them were knocked out whilst seven get another chance in midweek replays.

Hallam were the biggest winners with a 6-1 victory at North West Counties side, Abbey Hey.

After going behind early on, Simon Asquith's hat-trick and goals from Daniel Smith, Ryan Tate and Lee Naughton made it a comfortable afternoon for the Sandycote side.

Also progressing away from home were Long Eaton United, Winterton Rangers, Rossington Main and Rainworth Miners Welfare.

Long Eaton went through at the expense of hosts Barwell as Jared Holmes and Craig Mitchell's first-half strikes earned them a 2-1 scoreline.

Goals in the last fifteen minutes from Gary Jones and Liam Wilkin saw Winterton progress at Dunkirk whilst a Lewis Hilton double helped Rossington beat fellow NCEL side Maltby Main, 3-1.

Rainworth won 3-0 at Radford, with goals from

Tom Norris and Nathan Watson ensured passage through for Shirebrook Town by the same scoreline at Holbeach United.

In the all-NCEL replay, Selby Town came through 3-1 at Leeds Carnegie although they needed two goals in the last ten minutes from Brenton Leister and Liam Radford to do so.

And, there was disappointment for Teversal as they went down 3-0 at Bourne Town.

Meanwhile, the four KoolSport NCEL League Cup First Round matches were played in midweek and Rossington Main were the only away winners.

Despite going down to a seventh minute penalty from Jordan Riding, they went through 3-1 at Glasshoughton Welfare with a first-half Liam Holmes brace and a late goal from William McGhie.

Brighouse Town needed Mark Brady to come to their rescue twice, once from the penalty spot, to force extra time at home to Askern Villa.

That was after the visitors had taken the lead through, firstly, new signing Kyle Jones and then Dean Wilburn.

With no further score, the match went to penalties which Brighouse won 4-2.

Appleby Frodingham were comfortable 4-0 winners at home to Worsbrough Bridge Athletic with a Tom Finnigan double finishing off the contest after goals from Ryan Hibbard and Michael Bettney.

And, Steven Kenworthy and Micky Amos struck for AFC Emley in their 2-0 victory over visitors Hemsworth Miners Welfare.

In the Second Round, Rossington now go to Tadcaster Albion, Brighouse entertain Liversedge, App-Frod are at Pontefract Collieries and AFC Emley travel to Brodsworth Welfare.

23rd August, 2009 - Match Review #5
Armthorpe Welfare head the KoolSport NCEL Premier Division table after thumping hosts Brodsworth Welfare, 10-0.

Bruno Holden and Liam Hardy bagged four goals each whilst Kyle Thompson and Danny Freeman also got on the scoresheet in a match that equalled the top flight's record for the biggest away win.

Brodsworth have now conceded nineteen in their opening two league games and are rooted to the bottom of the table.

Five other Premier Division sides have joined Armthorpe in winning their first two matches of the season.

Selby Town came from behind to win 2-1 at Arnold Town, Brenton Leister and Leigh Wood with the goals after Nigel Jemson had given the Eagles a ninth-minute opener.

A Nathan Hotte brace helped Bridlington to a 4-2 home victory over Thackley with Ben Knapper and Craig Palmer also adding to the tally whilst Nicky Boshell and Chris Coy scored for the visitors.

Maltby Main were 4-1 winners at home to Hall Road Rangers with Richard Tracey opening the scoring for them just before the hour and Lee Mellon doubling their advantage from the penalty spot with thirteen minutes remaining.

Lee Macklin pulled one back for Rangers but Jonathan Wall and Rob Branagan struck late on to ensure the victory.

Barry Rankin and Jimmy Jagger struck in the first half and Francis Johnson found the net late on to earn Nostell Miners Welfare a 3-0 win over visitors Hallam.

And, Dinnington Town won 3-1 at home to Winterton Rangers thanks to goals in the last ten minutes from Gavin Allott and Sam Dixey.

Along with Brodsworth and Thackley, there are four other teams in the Premier Division who have not yet got off the mark.

Shirebrook Town lost 3-0 at home to Pickering Town with the visitors netting through John Newton in the first half and Darren Clough twice in the second period.

Scarborough Athletic lost 3-1 at Lincoln Moorlands

A hat-trick from Richard Medcalf helped Scarborough Athletic to a 5-1 home win over Dinnington Town, a victory that moves the Seadogs up into fourth place.

Daniel Moore and Daniel Gray also got on the scoresheet for them whilst Liam Cartledge got the consolation on a miserable afternoon for the visitors who drop to eleventh.

And, Nostell Miners Welfare are into the top five after Danny Highley's goal on the half-hour earned them a 1-0 win at home to Shirebrook Town.

Shirebrook remain without a point and without a goal after their opening three matches.

But, they are kept off the bottom by Brodsworth Welfare who lost 1-0 at Pickering Town, Darren Clough's 22nd minute goal earning the Pikes the second win of their campaign.

Ant Lynam scored the League's quickest goal this season so far when he opened the scoring at home to Hall Road Rangers after just 28 seconds.

He then went on to claim a hat-trick as they won 3-1 with Anthony Bowsley getting Rangers' solitary effort.

The Wrens climb to twelfth whilst Rangers drop to eighth.

Tom Garrick's winner twelve minutes from time saw Lincoln Moorlands Railway victorious 2-1 at home to Hallam.

The other two Premier Division games ended in draws as Long Eaton United and Winterton Rangers played out a scoreless match at Grange Park.

And two goals in three minutes halfway through the second period saw Maltby Main draw 1-1 at home to Parkgate.

Rob Branagan put the home side ahead but their lead was quickly cancelled out by Luke Fletcher.

There were five matches played in Division One and, surprisingly, it was a quiet day in front of goal with only ten scored, half of those coming from one game.

That was at the Fitzwilliam Stadium where Hemsworth Miners Welfare were beaten 5-0 by their visitors, Brighouse Town.

David Watson put Brig ahead on 31 minutes before Nathan Cartman doubled their advantage midway through the second period.

A hat-trick in the last twenty minutes from Wayne Crossley, the last being an injury time penalty ensured a very comfortable afternoon for the away side.

Brighouse Town are now fourth whilst Hemsworth drop in to the bottom four.

Askern Villa's excellent start to the season continued as they drew 0-0 at home to Leeds Carnegie to climb into second spot, two points behind leaders Tadcaster Albion.

They go above AFC Emley who lost 1-0 at Bottesford Town.

A 24th minute goal from Craig Mitchell earned the hosts their third win of the season as they climb to fifth.

Rossington Main move up to eighth following their single-goal win at home to Worsbrough Bridge Athletic.

Lee Holmes was the matchwinner thanks to his goal on 28 minutes.

And, Pontefract Collieries had a great away day as they won 3-0 at Appleby Frodingham.

Carl Fothergill put them ahead just before the half-hour and the grabbed his and Ponte's second in the 40th minute.

Jovan Maric got the third early on in the second period to conclude the scoring.

Ponte climb to ninth in the Division One table whilst App-Frod fall to sixth.

In the one Premier Division game played on Wednesday, Maltby Main moved up to third with a 2-2 draw at home to Hallam.

It was the first match in the top-flight this season to end all square – the 34th game of the campaign – but it almost didn't finish that way as it needed an injury-time equaliser from Main's Greg Mason.

In Division One, AFC Emley climbed up to second with a 3-0 win at Worsbrough Bridge Athletic.

Dean Sidebottom scored two and Steven Kenworthy grabbed his eighth of the season to preserve Emley's 100% record.

And, Barton Town Old Boys picked up their first points of the campaign as Gareth Barlow's fourteenth minute strike claimed a 1-0 win at Appleby Frodingham.

Finally, despite a first half goal from Lee Gregory and a battling display, Staveley Miners Welfare bowed out of the FA Cup, beaten 3-1 at home by Clitheroe in their Preliminary Round Replay.

7th September, 2009 - Match Review #9

Grimsby Borough, Tadcaster Albion and Armthorpe Welfare are through to the Second Qualifying Round of the FA Vase after victories on Saturday.

An extra-time winner from Matthew Oswin saw Grimsby Borough progress at Gedling Miners Welfare.

That was after their first half opener from Richard Creer was cancelled out by Craig Boulton for the hosts after the interval.

Tadcaster won by the same scoreline at fellow NCEL outfit, Glasshoughton Welfare.

They took the lead through Brad Dowling on 20 minutes before an Andrew Price leveller early in the second half.

But, a Philip Biscombe strike just after the hour mark meant victory for Taddy.

A brace from Liam Nelthorpe in the first eleven

minutes saw Armthorpe Welfare through with a 2-0 victory at Sunderland RCA.

Glasshoughton apart, six other NCEL sides saw their FA Vase challenge fall at the first hurdle.

Staveley Miners Welfare were the unluckiest as a young side went to Runcorn Linnets and were beaten 4-3 in extra-time.

Teversal and Yorkshire Amateur lost by a single goal at home to Sleaford Town and away to West Auckland Town, respectively.

And, Barton Town Old Boys were beaten by the same scoreline at Ollerton Town.

Meanwhile, it was an afternoon to forget for Eccleshill United and Thackley who both suffered heavy defeats.

Eccleshill lost 7-0 at home to Norton & Stockton Ancients whilst Thackley were beaten 5-1 at Stokesley.

In the Premier Division, Bridlington Town are now only second to Armthorpe on goal difference as they made it four wins out of four with a 7-0 thumping of hosts, Arnold Town.

They were two-up going into the last quarter of the game thanks to first half goals from Nathan Hotte and Ashley Dexter.

But, the Eagles faded badly as Craig Palmer claimed a hat-trick, Dexter notched up his second and Danny Buttle also got onto the scoresheet.

Selby Town move up to third after a thrilling 4-3 victory at Liversedge.

Tom Matthews and Steve Lyon gave the Robins a quickfire start before Brook Newton pulled one back for Sedge.

Andrew Hart restored their two-goal lead on 63 minutes only for Callum Armstrong to halve it again on 79.

Luke Ibbetson claimed Selby's fourth as the game came towards its end before Paul Walker hit the hosts third as the game went into stoppage time.

Railway in a match which saw their goalkeeper receive a red card.

Liam Bull and Adam Buckley had Railway two-up by the 52nd minute and, although Mark Griffin gave some hope of a comeback, Ben Garrick ensured the win towards the end.

Long Eaton United went down to an 86th-minute goal from Julian Topliss in their 1-0 defeat at Rainworth Miners Welfare.

And, Parkgate are still chasing their first point as a Chris Spooner double was not enough in a 3-2 defeat at Liversedge.

Paul Walker netted twice and Paul Smith was also on the scoresheet for the hosts.

In Division One, Tadcaster Albion lead the table with three wins out of three after a 4-1 win at Hemsworth Miners Welfare.

Kevin Smith struck twice, once from the penalty spot, in a comfortable victory that keeps them ahead of Appleby Frodingham on goal difference.

App-Frod kept up their 100% record despite being twice behind at Teversal.

The home side scored through Dean Short and Andy Woodcock and the visitors were trailing 2-1 with ten minutes to go when Danny Ricketts, Tom Finnigan and Callum Dransfield made it a 4-3 victory.

Bottesford Town won by the same scoreline but even more dramatically at home to Glasshoughton Welfare.

The visitors had seemingly earned a point when Mark Penney scored on 84 minutes to make it 3-3.

But, Craig Mitchell ran up to the other end and scored to ensure Bottesford moved up to third with two wins out of two whilst Glasshoughton remain bottom with no points from their opening three matches.

Eccleshill United are also looking for their first points after a 6-1 home defeat at the hands of Yorkshire Amateur.

Richard Gaffney's own goal had put the hosts ahead on 20 minutes but Lutel James and Justin Bowler made it a slim advantage for the Ammers going into the break.

Then, John Hobson and Richard Britten put the game beyond doubt within two minutes of the second half before Curtis Bernard and Darryl Kendal finished the scoring in the last quarter-of-an-hour.

Barton Town Old Boys are still pointless after a 4-0 loss at Staveley Miners Welfare – Lee Gregory with a brace for the home side.

Rossington Main won 4-3 at home to Brighouse Town with William McGhie getting the vital fourth goal for the hosts.

Grimsby Borough were 2-0 victors at Leeds Carnegie with second-half goals from Luke Mascal and Richard Creer.

And, Pontefract Collieries and Worsbrough Bridge Athletic gained a point apiece with a 2-2 draw at the JJ Leisure Stadium.

27th August, 2009 - Match Review #6

Barton Town Old Boys and Grimsby Borough both booked their places in the Second Round of the KoolSport NCEL League Cup with 2-1 home victories in midweek.

Barton needed an extra thirty minutes to overcome Bottesford Town despite taking the lead on the half-hour through Ricky Foster.

Craig Bridge levelled the scores with just four minutes remaining of normal time before Gareth Barlow ensured the win with a goal halfway through the second period of extra time.

Grimsby Borough won with an injury-time strike from Nicholas Brown as visitors Yorkshire Amateur finished the game with seven men.

Ange Blehiri had put the away side ahead on 75 minutes before a Matthew Oswin penalty soon levelled the scoreline.

Barton are at home to Leeds Carnegie whilst

Borough host Rainworth Miners Welfare in the next round.

Four goals from Steven Kenworthy moved AFC Emley up to third in NCEL Division One as they won 4-1 at home to Askern Villa.

The visitors took the lead on three minutes through James Naylor but Kenworthy quickly restored parity.

He struck twice more towards the start of the second period and added the fourth with five minutes remaining.

30th August, 2009 - Match Review #7
Five KoolSport NCEL sides have progressed into the First Qualifying Round of the FA Cup.

Winterton Rangers were the biggest winners in their Extra Preliminary tie at home to St Andrews as they coasted to a 6-1 victory.

Gary Jones had put them ahead on the third minute but Aaron Preston quickly restored parity for the visitors.
