Gregory Signs Pro Deal with Stags

(Source: Mansfield Town)

Hot shot Lee Gregory has today signed a one year deal with Mansfield Town from KoolSport NCEL Division One outfit, Staveley Miners Welfare.

The 21 year old bagged 37 goals for the Miners last season and has already scored six goals in seven games for the team this term.

As a youngster he spent time at Sheffield United's academy.

He has given up his day job as an electrician to join the Blue Square Prem side as a full time professional footballer.

Gregory told mansfieldtown.net that he is ready to make the step up, saying: "This is a dream come true. I knew Mansfield had been watching me last season and now they have come in for me. I am very pleased to be moving here.

"I am confident that I can score goals for the club," he added.

Manager David Holdsworth is hopeful he can find a loan club for Gregory to give the youngster much needed match fitness.

Old Enemy Clash for 90th Birthday

(Source: Selby Town)

England and Scotland will clash at Flaxley Road later this month as part of Selby Town's ongoing 90th birthday celebrations.

England's current over 40's World Champions, that includes Selby coach Pete Collier, are to take on Scotland on Friday 25th September.

The match will stir memories of 1966 where

the Scots were the first team to beat England after they won the World Cup and the English will be hoping, this time, that history does not repeat itself.

The club is looking to attract a large crowd to cheer on the England world champions who will hopefully be able to bring the trophy with them to show off.

Kick-off time is yet to be confirmed but should be 7pm.

The bar will, of course, be open and there will be other fun stuff going on to make it a fun night whatever the outcome of the game.

Darren Bland who stepped down at the start of the month.

The Inkersall Road side say his application was received last week and he was interviewed over the weekend.

Chairman Terry Damms said: "Billy is known at local U19 North Midlands League level where he won the First Division title with Hallam FC U19's, working at Doncaster Rovers FC Academy for the past four years and having provided Thackley FC with one of their best ever NCEL Premier placings last season despite the obvious difficulties that he faced residing in Sheffield.

"Billy will be working and is fully au fait and willing to work within the club's ethos and guidelines and he will continue to develop the current squad of players without wholesale changes being implemented.

"There will be close liaison with the reserve and U19 management teams also to ensure that all the players at the club are assessed and afforded opportunities to progress into the first team.

"Billy has confirmed he will be bringing Nigel Ransom as his assistant.

"The Club would place on record their thanks to the many other applicants and wish them well for the future."

Carnegie B Licence
Course Success**

(Source: Leeds Carnegie)

Leeds Carnegie held their first ever UEFA B Licence last week at Headingley campus and, despite monsoon style weather, all 21 coaches have fed back their delight at the course.

It took place over six days and the coaches return this weekend to complete their programme of learning.

They will then build up their coaching portfolios back at their clubs before returning for extra support days and assessments.

Amongst the coaches were, from the NCEL, Hall Road Rangers' Jamie Barnwell, Winterton Rangers' James O'Neil and Carnegie's James Earl.

Other clubs represented were Farsley Celtic, Hull City, Derby County, North Ferriby and Ossett Albion to name a few.

Barnwell, writing in programme notes for Hall Road's match against Lincoln Moorlands Railway this weekend, said: "It's been a fantastic week, and I would recommend using Leeds Met Carnegie to anyone serious about their coaching portfolio.

"The course is physically and mentally demanding, but gratifying at the same time. It has given me plenty of food for thought and fresh ideas for working with the players here.

"The course is organised by John Hall who is director of football at Carnegie and responsible for their NCEL side of the same name.

"The course has had lots of guest speakers, which isn't the norm, but has added greatly to the course.

"Tracey Neville, with 80 caps for England at netball discussed nutrition and the importance of fuelling in the modern game, you may have heard of her brothers?!

"We were also lucky enough to have Simon Smith cover our goal keeping topics. Simon was goal keeping coach at Newcastle for seven years, developing Shay Given and Steve Harper, such is his pedigree he is now responsible for the England elite crop of young goal keepers.

"All this was overseen by two of the best coach educators around in Mick Mathews, a former Hall Road manager and Steve Lister."

John Hall, Director of Football at Carnegie, said: "A lot of hard work and effort has gone in behind the scenes to enable this to happen, from administrators to ground staff and of course the tutors.

"We have also received great support from the Northern Counties East League who along with the Regional County FAs were able to promote the course via their respective websites, and I would

like to take this opportunity to thank them for that.

"Our intention from the outset was to offer coaches something which they would remember and would make an impact and thus ensuring a great learning experience.

"Overall, the candidates have a way to go but I am delighted with what everyone has achieved so far. My aim is to ensure that we can build on this achievement so that a Carnegie B licence becomes a fixture in the calendar."

15th September, 2009 Emley Charity Night More Than Grand (Source: AFC Emley)

AFC Emley hosted a special charity match last night that raised over £1,200 to help get people to donate organs, blood and bone marrow.

They took on a Huddersfield & District League XI to raise cash for the 'Sign Up for Sudders' campaign which was set up by Adrian Sudbury – an inspirational young journalist for the Huddersfield Examiner – who documented his long fight against Leukaemia in an online blog.

Sadly, 'Sudders' lost this battle just over a year ago but not before launching an incredible media campaign to raise awareness for the disease and

the importance of the disease.

Almost 300 spectators were at last night's game which saw AFC Emley win 3-2 to lift the trophy.

Captain Steven Kenworthy was presented with the trophy by Frank Beaumont of the District League and Trish Wright from AFC Emley.

A club statement reads: "Although Phil readily acknowledges that he has not had the best of records as First Team Manager, everyone at the club would like to thank him for his dedication and efforts during his twelve months or so in charge.

"Unfortunately, Welfare have no fixture this Saturday so the new man at the helm has arranged a full scale practice game involving the full club squad in preparation for his first competitive game in charge at Brighouse Town the following weekend."

And, Waddington will be determined to end a run of 52 league matches without a win for Glasshoughton that stretches back to February 2008.

Long Eaton Field Unregistered Player

(Source: KoolSport NCEL)

Long Eaton United played an unregistered player during this week's Presidents Cup clash with Scarborough Athletic.

The Grange Park side won the clash 1-0 on Tuesday but informed the League of their error the following day.

The matter will now be discussed and a ruling made by the Management Board at their next meeting in October.

In the meantime, future draws in the Competition will include both Long Eaton and Scarborough as an 'either-or' option.

Boss Calls for More Vocal Support

(Source: Rainworth Miners Welf)

Rainworth Miners Welfare manager Rudy Funk has called on the club's fans to increase their vocal support and lift the side through the coming FA Cup and FA Vase matches.

The Wrens boss went on record this week to thank

the increasing number of supporters for their backing, and said: "When they get behind us they do lift the side, so we would like to hear more from them.

"The vocal support that Holbrook had in Saturday's FA Cup tie was wonderful to hear and it lifted their players, and it would be great to hear similar from our own followers.

"We have a good and growing fan base, and some clubs in the UniBond League aren't matching the numbers we are getting, so I would like to thank them for their continuing support, and if we can hear more sound from them that would be a bonus."

Reflecting on the 2-1 win over the Brookies and looking forward to Saturday week's second qualifying round tie at Southern League Midland Division Bedworth United, Funk added: "I thoroughly enjoyed the tie, it was a super encounter.

"Holbrook were very strong and I could see why they knocked out UniBond opposition in the previous round. They came with their game plan and stuck to it, and made life hard for us, but we were that little bit stronger in areas where it mattered."

The manager missed Tuesday night's Presidents Cup tie against Arnold to run the rule over the next opponents in their replay against Causeway United.

Exley Leaves Seadogs

(Source: Scarborough Evening News)

Scarborough Athletic first team coach Derek Exley has left the club, reports the Scarborough Evening News.

Exley, who was one of boss Brian France's first appointments when he joined the newly-formed Boro in 2007, has called it a day due to a family illness.

It was a tough decision for the former Scalby, Wards and Driffild Town manager, although the door has been left open by boss Brian France for his return to the club.

Exley said: "It was a very difficult decision for me to make because I've had such a good time since I joined the club."

"I've enjoyed every minute and I will miss the laugh we had at games and training."

"It has become a bit of a challenge though as my dad isn't well and I want to spend a bit of time with him. I haven't been able to because I was tied up with training on Tuesdays and Thursdays, then on Saturdays we have matches."

"Brian has said that I'm welcome to come back in when I want, but at the moment I'm going to have a bit of a break from it all."

France will now be helped out on matchdays by former Pickering Town and Boro reserves boss Jimmy Reid, who has been on the bench for the past few weeks.

Armthorpe Welfare and Bridlington Town both picked up victories on their travels in midweek to maintain their 100% records at the top of the KoolSport NCEL Premier Division.

Armthorpe lead on goal difference after a 2-1 win at Lincoln Moorlands Railway – Bruno Holden with two first half goals for them, one from the penalty spot, whilst Tom Garrick got a late consolation for the hosts.

A second successive hat-trick from Craig Palmer helped Bridlington to a 5-1 victory at Liversedge after Luke Sherman had given the home side a second minute lead.

All of Brid's goals came after the interval with Frank Belt and Alex Rhodes also getting on the scoresheet.

Scarborough Athletic climb to third after beating visitors Hallam 3-0 to show they have got their season well and truly underway.

Scott Phillips struck twice in the opening period before Craig Hogg put the game to bed on 87.

And, Steve Lyon's tenth-minute strike saw Selby Town pick up three points at Maltby Main to be fourth.

Winterton Rangers are just behind them after Liam Wilkin's late winner saw them beat Hall Road Rangers 3-2 at West Street.
