

3rd November, 2009 Rhodes Reveals Management Team

(Source: Shirebrook Town)

Shirebrook Town boss David Rhodes has unveiled the two men who will help him in trying to move the KoolSport NCEL Premier Division club out of the bottom four.

Craig Shaw and Martin Rowbottom will combine their playing duties with being his joint assistant managers.

A delighted Rhodes told the NCEL website that they "both have a wealth of experience and knowledge" that will help them continue their climb up the table.

Rhodes was appointed as boss back in September when the club was next-to-bottom and without a point.

They are now seventeenth having picked up ten points in their last five matches.

3rd November, 2009 Race Leaves Hallam

(Source: Hallam FC)

Hallam have announced the departure of first team manager Wilf Race.

He informed the club of his intention to resign from his position with immediate effect after the 3-1 home defeat against Pickering Town on Saturday.

The loss left the Sandygate side in the bottom three of the KoolSport NCEL Premier Division.

Race took over during the close season and faced a major rebuilding job after the departure of most of last season's squad.

And, despite the club's lowly league position, they did enjoy some success in both the FA Cup and FA Vase this season.

The club have placed on record their thanks for Race's efforts and wish him all the best for the future.

Assistant manager Kenny Geelan, aided by Stuart Lowe, will be in charge for the foreseeable future.

Geelan has previous management experience with Alfreton Town Reserves and Staveley and their first match in charge will be against Dinnington Town at Sandygate this evening.

3rd November, 2009 Funk Urges Jemson Backing

(Source: Rainworth MW)

Rainworth Miners Welfare's managers have urged the club's supporters to support Nigel Jemson and appreciate what he brings to the side.

The former Forest and Sheffield Wednesday star played a big role in their 1-0 win over local rivals Shirebrook Town at the weekend.

However, some fans remain unsure about his worth - something that Rudy Funk says he and his fellow boss, Billy Millar, want to end.

He said: "I wish people would get off Nigel's back. He's 40 years old, but if Nigel hadn't made that deciding goal it would have finished 0-0 and we would have had one point, not three.

"His vision played Jamie Whitehead in and what a great finish it was. That's why we've kept Nigel on the park for the full 90 minutes.

"We did ask ourselves whether to make the change, but we know he's got in his locker the ability to set up the killer goal. He's done that and earned us the three points. And that is the difference he makes.

"He's won every header, and a couple of times when we sent on Massiah McDonald for the second half some of Nigel's ball play to him was a delight.

4th November, 2009 Seadogs Launch Back2Boro Scheme

(Source: Scarborough Athletic)

Scarborough Athletic wants to return home, and is proud to announce the launch of a scheme to help achieve just that.

The Back2Boro fund has two main objectives: continue to raise awareness of the club's lack of permanent home, and to raise funds to help finance the return home to the borough of Scarborough.

Athletic have been playing their football at Bridlington Town's Queensgate Stadium since formation in 2007, when Scarborough FC was liquidated.

While the McCain Stadium lies unused and largely condemned, and Scarborough Council continues to investigate provision for a sustainable sports facility in the town, Athletic have been hugely successful at Bridlington, both on and off the field.

The club won the NCEL first division title last season, averaging around 500 fans at home games.

The 35-mile round-trip along the coast has not put supporters off, and the club has gone from strength to strength.

The supporters' Society which owns and runs the club now boasts a membership over 550.

Club communications director and Back2Boro co-ordinator James Hunter said: "The club is 100% behind Scarborough Council and their vision of a new sports village complex within the town, possibly at Weapონness Valley.

"We will do all we can to help the council achieve their goal of providing a community facility for Scarborough.

"However, we understand that the current financial climate gives an uncertain time-scale for a large development.

"And, having been away from town for the best part of three years it is prudent that we plan ahead.

"We have also had offers from George Pindar Sports College, and other possibilities emerge from time to time.

"We have to make sure we do what is best for the football club.

"Therefore the Back2Boro fund has been set-up to not only raise further awareness both locally and nationally of our ambition, but also to raise funds which will ultimately help with the club's return home.

"Those funds will be ring-fenced away from Scarborough Athletic FC itself, and a voluntary committee put in place to set-up events and put ideas in place to raise funds.

"The funds may be invested in facilities or equipment at a council-built stadium or may finance the planning and building of a brand new stadium for the club.

"When the time comes to make that decision, it will mean Boro have a chance to return home and the fund will be there to help. I for one cannot wait for that to occur."

The club has set up a new website at www.back2boro.co.uk, through which supporters and others who would like to see our senior football club return to Scarborough can make donations to the scheme, send ideas for fundraising, and get the latest news of the success of the scheme.

An open forum has also been organised for November 27th at Scarborough Bowls Centre to discuss the best ways of ensuring success for the scheme, without distracting from the success of the club itself.

This forum follows the club's annual AGM which begins at 7.30pm. Everyone is welcome and encouraged to come along and have their say.

Eagle Swoops For Parkgate Return

(Source: Parkgate)

There has been a change of management at KoolSport NCEL Premier Division side, Parkgate.

Boss Sean Hutchinson resigned after Saturday's 8-3 defeat at Hall Road Rangers - a result that keeps them in the bottom five of the table.

The Steelmen have moved quickly to appoint Russell Eagle as manager and Darren Bonnington as his assistant.

Their first game in charge will be the weekend's home league clash with Armthorpe Welfare.

Hutchinson had been at the helm since June 2008 when, ironically, he took over from Eagle.

During his last spell, Eagle guided Parkgate to the Division One title and promotion to the Premier Division.

He also lifted the Wilkinson Sword Trophy in the two-and-a-half years he was in charge.

Toyne Gets Birthday Surprise

(Source: Rotherham Advertiser)

Who says the fun has gone out of football? Certainly not Dinnington Town, says the Rotherham Advertiser.

They report that Dinno chief Steve Toyne was reduced to tears by an unexpected birthday treat last Saturday.

The long-serving boss was in the dressing room at Phoenix Park before their match with Brodsworth Welfare when the lights went out.

He thought there'd been a power cut until the Town players appeared with a big birthday cake and sung 'Happy Birthday' to him.

And, when he took to the pitch, the hundred

spectators sang out: "For he's a jolly good fellow."

Toyne, who turned 65 on the day of the match, said: "I told people that the water on my face was the rain, but it wasn't really.

"It was a very emotional moment for me and it made all the kit washing, the grass cutting and other jobs I do around the club worthwhile.

"I've got to thank the players, the staff and the supporters for a lovely gesture.

"In these days when the game is so often in the headlines for the wrong reasons, it showed the other side."

Jenkinson Is Eccy's Man

(Source: Eccleshill United)

Eccleshill United have unveiled Paul Jenkinson as their new first team manager as they look to end their spell as the NCEL's basement side.

He takes over after the original successor to Steve Watson, Danny Bolton, could not take the job due to a change in his personal circumstances.

It meant that Chris Bates remained on as caretaker boss.

But, matters have now been resolved with Club Secretary, Mark Holstead, saying of their new man: "Paul was previously in charge at West Riding Premier side Lower Hopton where he has turned the club around.

"But, he felt ready to step up and take the reins of a bigger club.

"Paul brings a desire and a commitment to stabilise the club on the field given time and take Eccleshill United forward."

His first game in charge is the home league clash against Hemsworth Miners Welfare.

A victory in that game will move them off the bottom of the Division One table.

Northen Moves To Rivals

(Source: Scunthorpe Telegraph)

Barton Town Old Boys have signed striker Rob Northen from their local rivals, Winterton Rangers.

Northen was the star of the show when Winterton romped to the NCEL Premier Division League and Cup double in the 2007/08 campaign.

The striker plundered 42 goals in all competitions in that season to earn himself a move to Unibond Premier Division side North Ferriby.

That move did not work out for Northen though and he returned to Winterton.

Barton chief-executive Paul Friskney, told the *Scunthorpe Telegraph* what a huge boost the transfer will be for the Swans.

"We are delighted to have had the opportunity to bring someone like Robbie Northen to join our club," a delighted Friskney said.

"Robbie came to our ground, looked at the facilities we have got and was very impressed with what we are developing.

"We have a massive catchment area for a club our size, three times the size of Winterton.

"And we have to make sure that we put on some entertainment for the local people and hopefully this signing will give potential fans some encouragement as well.

"We were not even sure if Robbie would want to talk to us though because there were other teams, namely Bridlington Town, tracking him as well.

"But now, along with Gaz Barlow, we will have two of the most prolific strikers that we have ever had at Barton.

"Hopefully we can now push on for promotion this year and get the same successes as Winterton and Brigg Town – that would be great for the local football community here."

Borough Ground Work Gathers Pace

(Source: Grimsby Borough)

Grimsby Borough's plans to be in a new ground by the start of the 2010/11 season are well on track.

The KoolSport NCEL Division One side, that currently groundshares with Brigg Town, are looking to move to a new purpose built facility at the Bradley Playing Fields Development in Grimsby.

And it is taking shape at an alarming rate.

The project was only started at the beginning of November and already the main pitch is laid and the grass is through.

The perimeter pitch fence is installed along with the 5m high surrounding mesh fence.

All the preparation work and necessary fencing has been completed for the second pitch which is to be a G3 surface.

All works are scheduled to be finished for April 2010.

Selby Extend Ground Sponsorship

(Source: Selby Town)

In a move that is looking less controversial than recent events at Newcastle United, Selby Town have announced their ground name sponsorship is to be extended.

The Robins have negotiated with local paper Selby Times for them to renew their sponsorship of Flaxley Road for another season.

So, the ground will be continue to be called "The Selby Times Stadium" from now until the end of the season.

Secretary Tommy Arkley said: "Unlike some clubs, we do not anticipate much in the way of any protests!

"But, we would like to thank the Selby Times for their support of Selby Town FC."

Major Signing at West Street

(Source: Winterton Rangers)

Winterton Rangers have bolstered their ranks by the signing of Micah Bleau to bolster their ranks at West Street.

The Rangers management team are very excited about the signing of a player that they have been in talks with now for several weeks as they look to get into the top six of the Premier Division.

A club statement says: "We feel he will bring a lot of experience to the squad.

"He has played at FC United, Worksop and also the England Fustal squad.

"Micah will be a great asset to the team as not only does he play in defence but he can also play in midfield or attack.

"He is a young and enthusiastic player who has a great future at West Street."

Borough Make History

(Source: Grimsby Borough)

Grimsby Borough have made history in their 3-0 victory against Worsbrough Bridge Athletic.

Father Steve Newby replaced his son Dean Newby in the KoolSport NCEL Division One clash on Saturday.

The FA's historian has heard of a son coming on for his dad - Eidur Gudjohnsen replacing Arnor Gudjohnsen for Iceland v Estonia in 1996 - but he has not heard of it happening the other way round.

Grimsby Borough say they are very proud of holding the record.

5th November, 2009 - Match Review #26
Bridlington Town are the new leaders of the KoolSport NCEL Premier Division after a 5-2 win at home to Shirebrook Town.

But, it had to take a three goal spurt in six minutes towards the end of the game to finish off their plucky visitors.

The score was level at the interval after Simon Johnson's half-hour equaliser for Shirebrook cancelled out an early opener from Jack Wilkinson.

Danny Buttle put Brid ahead on 51 minutes from the spot but Johnson's second made it 2-2 going into the last quarter of the game.

But, Alex Rhodes then struck twice and Tom Lee also found the net for the home side to ensure the victory.

Shirebrook drop back into the bottom three as Hallam leapfrog over them with a 3-0 win at home to Dinnington Town.

Simon Asquith made it 21 for the season for him as he struck twice and Christopher Wood got the third, all in the first 23 minutes of the game at Sandygate.

Bottom side Brodsworth Welfare finally broke their duck with a 2-2 draw at home to Arnold Town, Dean Lackie's second of the evening with five minutes remaining helping them to their first point of the season.

Winterton Rangers climb to sixth after a 4-0 win over visitors Parkgate – Liam Wilkin with a brace, added to by goals from Rick Day and Robert Sanderson.

Chas Wrigley and Michael MacNaughton made sure of a precious away win for Pickering Town, 2-1 at Lincoln Moorlands Railway.

Bottesford won 3-0 at home to Yorkshire

Amateur, Paul Chatterton's first half penalty added to in the second period by goals from Daniel Hope and Craig Mitchell.

Staveley also took the lead with a spot kick against Teversal at Inkersall Road, Ryan Damms converted that.

Jamie Smith made sure of their progression in the 72nd minute.

Only two NCEL sides progressed into the Second Round of the West Riding County Cup from this week's First Round ties.

Askern Villa were 3-1 winners at home to league rivals Leeds Carnegie after they went behind to an 18th minute Jamie McCafferty goal.

Mark Vickerage and Daniel Ferguson had them ahead by the break and Curtis Walker made sure of the win early in the second period.

Selby Town beat visitors Pontefract Collieries 4-0, an opener from Adam Russell and a Duncan Bray penalty had them in control by the 21st minute.

Matthew Sparkes and Stuart Dove added to the scoreline after half-time.

Of those who went out of the competition, Tadcaster Albion were the most unfortunate as they went down 3-2 at home to Guiseley in extra-time.

Eccleshill United and Glasshoughton Welfare bowed out on their travels to Wakefield and Silsden, respectively.

Armthorpe Welfare were beaten 4-1 at home by Ossett Albion whilst Ossett Town dispatched hosts Thackley, 2-1.

9th November, 2009 - Match Review #27
Over 1,000 people watched Scarborough Athletic beat their landlords Bridlington Town 2-1 to go back top of the KoolSport NCEL Premier Division.

In front of what was the biggest league crowd in almost five years, the Seadogs, who were the away team in this fixture, came from behind to secure the three points after Nathan Hotte had given Brid a sixth-minute lead.

David Hartas and Scott Phillips turned the game around just before the hour mark to put Scarborough two points ahead of a chasing pack of three that includes Bridlington in second place.

Armthorpe Welfare stay third but were made to work for their dramatic 4-3 win at Parkgate.

Liam Hardy and David Buck put them two ahead by the break but the hosts, with new manager Russell Eagle in the dugout for the first time, showed fighting spirit and pulled one back through Matthew Cardwell.

Hardy got his second and Armthorpe's third on 67 minutes before Leon Wainman made it 2-3 with ten minutes remaining.

Stuart Preston restored the visitors' two-goal cushion as the game went into injury time but Parkgate threatened to come back again with James Mitchell finding the net.

Armthorpe held on, however, for what could be three vital points come the final reckoning.

Rainworth Miners Welfare were deadly from the penalty spot as they won 3-1 at Liversedge to make it eight league wins in a row and keep them fourth.

Scott Ryan had put the hosts ahead on five minutes before Brendan Sweeney levelled and Nigel Jemson scored from the spot just prior to half-time.

Lewis Trimmer then made sure of the win, also from twelve yards, but the Wrens had to wait until the 89th minute for that comfort.

There's now an eight point gap between fourth and fifth as Selby Town lost 2-1 at home by Hallam, Joe Boggild's 59th minute strike proving the winner as the visitors came from behind for the win.

Thackley move up to sixth after a 4-3 win at home to Long Eaton United, a game that the away side were leading 2-1 at the break.

But, the hosts were helped out by a Matthew Morgan brace after the interval to pick up the points.

Brodsworth Welfare are now nine points adrift at the bottom of the table after a 3-0 home loss to Nostell Miners Welfare.

Dave Nicholas, Tom Hope and Neil Beardsmore condemned them to their fourteenth defeat of the season.

The gap has increased between themselves and Lincoln Moorlands Railway as Lincoln went to the side just above them, Shirebrook Town, and won 2-1.

Lee Beesley and Tom Garrick put them in control at Langwith Road before a late consolation for the home side was scored by Lewis Bentley.

The other three games in the top flight all saw comfortable wins for the home side.

A Robert Sanderson own goal, followed by strikes from Ricky Law and Tony Law, provided Arnold Town with a 3-0 home win over Winterton Rangers.

Dinnington Town were 2-0 victors at home to Maltby Main and a Liam Salt brace helped Pickering Town to a 4-0 win against Hall Road Rangers.

It's as you were in Division One after the top four sides all won – but it remains a tight league with only seven points separating the top half of the table.

Tadcaster Albion's 3-0 win at home to Pontefract Collieries means they are still the leaders, Danny King, Guiseppe Downing and Darren Brandon with their goals, all in the last twenty minutes.

Two points behind them are Staveley Miners Welfare and AFC Emley whilst Leeds Carnegie and Askern Villa are a further point away.

Staveley beat Brighouse Town 4-3 at Inkersall Road with Ryan Damms grabbing a double, one from the penalty spot, whilst Emley put a struggling Teversal to the sword.

Antony Leech and Max Joice scored before the interval and then Josh Wright and Craig Marsh put the seal on a very straightforward 4-0 victory.

Leeds Carnegie were 5-2 winners at home to Bottesford Town with a Gary Challinor hat-trick helping them on their way after Bottesford had taken an early lead through Craig Bridge.

And, Villa beat visitors Yorkshire Amateur 4-0, Mark Vickerage scoring twice whilst Daniel Ferguson and James Naylor also found the net to move them up to fifth.

Hemsworth Miners Welfare move out of the bottom three after a 3-2 win at bottom side Eccleshill United.

But, it was a very tight affair that needed a 75th minute winner from Wayne Harratt to bring success to the away side.

They go above Teversal and a Glasshoughton Welfare side who went down 3-2 at Barton Town Old Boys, gunned down by a brace from the home side's new striker, Rob Northen.

Two goals from Jamie Steele gave Grimsby Borough a priceless 3-0 win at Worsbrough Bridge Athletic to move them up to eleventh.

And, Appleby Frodingham are now eighth after claiming their first home win of the season – a 1-0 victory against Rossington Main thanks to a third minute goal from Chris Gibbins.

Only one point had been picked up at Brumby Hall in their previous seven games there whilst they have a 100% record, five wins out of five, on their travels.

12th November, 2009 - Match Review #28

Honours were even as two of the top sides in KoolSport NCEL Premier Division met at Queensgate in midweek.

Scarborough Athletic remain the leaders, two points ahead of Armthorpe Welfare who climb to second after the 1-1 draw.

The hosts took the lead on 34 minutes through a

Scott Phillips penalty but Armthorpe quickly levelled, courtesy of James Walker.

Liversedge move up to seventh after a 5-1 win at home to Shirebrook Town who drop into the bottom two on goal difference.

Paul Walker claimed a hat-trick whilst Joel Ettiene picked up a brace for Sedge whilst a late Daniel O'Donnell penalty was the visitors' consolation.

Bridlington Town are the first team through to the Semi-Finals of the Presidents Cup after a 3-1 win at Arnold Town.

Alex Rhodes had them ahead by the interval before Ashley Allanson and Phil Harrison made sure of the victory by the 68th minute.

Tony Law got Arnold's solitary strike.

Leeds Carnegie are the third to book their place in the last four of the Wilkinson Sword Trophy, joining Bottesford Town and Staveley Miners Welfare, following their 2-1 win at Askern Villa.

Villa led through Kyle Hawthorne's 24th minute opener but Chris Hume and Jack Thompson found the net for Carnegie in the last quarter of the match to progress.

Hallam and AFC Emley both provided shocks in the Sheffield & Hallamshire Senior Cup Second Round by beating higher ranked opposition.

Simon Asquith and Scott Preece earned Hallam a 2-1 win at home to Frickley Athletic whilst AFC Emley beat visitors Worksop Town by the same scoreline with goals from Steven Kenworthy and Micky Amos.

A Michael Blythen hat-trick helped Dinnington Town to 5-2 victory at Handsworth but, despite a valiant effort, Rossington Main went down 7-0 at home to Sheffield.

In the two all NCEL ties, Nostell Miners Welfare were 2-1 victors at Hemsworth Miners Welfare,.

Josh Hope and Graham Marchant got their goals before Wayne Harratt scored from the penalty spot in the 75th minute for Hemsworth.

And, Staveley Miners Welfare beat visitors Maltby Main, 4-3.

The game got off to a blistering pace with Adam Shepherd opening the scoring for Maltby before Scott Bates and Andrew Fox put the home side ahead, all within the first nine minutes.

Scott Ellis made it 3-1 on the half-hour and they were 4-2 up by the 50th minute as Fox found the net again to restore their two goal cushion after Greg Mason had brought Main back into the game.

Ryan Smyth got Maltby's third with four minutes remaining but they could not find a fourth to take the game into extra time.

A further thirty minutes were needed, meanwhile, in the week's only Lincolnshire Senior Trophy Quarter-Final – Bottesford Town winning 2-1 at home to Nettleham with Phil Rowland sending them through in the 115th minute.

15th November, 2009 - Match Review #29

Bridlington Town, Pickering Town and Rainworth Miners Welfare all booked their places in the Third Round of the FA Vase at the weekend.

Just over 1,000 people were at Queensgate for the second weekend running to watch the landlords, Bridlington, take on the tenants, Scarborough Athletic.

Brid, who this week were the "away" side, were looking for revenge after their league defeat to the Seaside seven days earlier.

Nathan Hotte and Craig Burdick had them 2-0 up by the interval before Ryan Blott gave Scarborough a glimpse of a revival.

Frank Belt made it 3-1 before Scarborough again pulled it back to a one goal deficit through Craig Hogg on 65 minutes.

But, a Wayne Wallace double ensured progress for the Seaside with a 5-2 victory.

Two goals in the last thirteen minutes by Liam Salt saw Pickering Town go through at the expense of

their North West Counties League hosts, Winsford United.

And, Ian Clarke struck twice for Rainworth Miners Welfare as they won by the same scoreline at Westfields of the Midland Football Alliance.

Lincoln Moorlands Railway and Long Eaton United, however, are both out of the competition after losing on their travels.

Moorlands were beaten 3-1 at Dunkirk whilst Long Eaton went down 2-0 at Barwell.

There are trips for Armthorpe Welfare and Hallam in midweek after their games as Daisy Hill and Penrith, respectively, were called off due to the bad weather.

In the KoolSport NCEL Premier Division, Liversedge moved up to fifth position with an emphatic 9-2 win at home to bottom side Brodsworth Welfare.

Paul Walker clearly had his shooting boots on as he scored five of them whilst Luke Sherman grabbed a brace and Brook Newton and Alan Jordan also got on the scoresheet.

Nathan Bradey and Brendan Thompson got the goals for the visitors who have only picked up one point from sixteen games so far.

Danny Frost opened the scoring for Winterton Rangers on the half hour mark of their home clash with next-to-bottom Shirebrook Town.

After the interval, Graeme Severn and Sean Gorman also found the net in their 3-0 victory, a win that moves them up into seventh place.

A hat-trick from Tony Law helped Arnold Town climb to eighth with a 5-2 win at home to Thackley.

Nick Hall and Luke Smithson got on the scoresheet as well whilst Luke Hudson and Ross Daly converted for the away side.

Rob Branagan's injury time winner ensured Maltby Main a 2-1 victory at Nostell Miners Welfare to move them up to thirteenth - that was after Nostell's Graham Marchant had cancelled out Neil Longhurst's opener.

Parkgate were 6-0 winners at home to Dinnington Town to move themselves out of the bottom four.

Nathan Swindells was another hat-trick hero whilst James Mitchell, Andrew Gascoigne and Jamie Jones made it a thoroughly miserable afternoon for Steve Toyne's side.

A fascinating weekend of matches in Division One ended with Tadcaster Albion remaining top of the pile.

They won 2-1 at home to AFC Emley, who began the day in third position.

All three goals came in an eight minute period towards the start of the second half with Mike Braithwaite opening the scoring for Taddy, Mark Stuart equalising and Steven Jeff getting the winner.

They stay two points ahead of second placed Staveley Miners Welfare who picked up a comfortable 4-1 victory at Grimsby Borough.

Kevan Short had put the hosts in the lead on twenty minutes before Kyle Fores-Chambers levelled proceedings by the interval.

Scott Ellis, Jamie Smith and Scott Bates ensured the win for Staveley in the second half.

Leeds Carnegie climb to third, above AFC Emley, after 4-2 win at Hemsworth Miners Welfare.

A Ross Haywood own goal followed by strikes from Danny Keen and Kyle Ross meant they had a three goal advantage by half-time.

Paul Benton got Hemsworth back into it early on in the second period before Chibuzor Chilaka made it 4-1 with eight minutes remaining.

Andy Hayward got a late second for the home side who drop into the bottom four as a result of their defeat.

Two goals from Lee Burgess plus one each from Andy Markham and Lee Malcher moved Brighouse Town up into fifth after a 4-0 win at home to Barton Town Old Boys, going above Askern Villa who lost 2-0 at home to Appleby Frodingham.

Bottesford Town and Rossington Main gained a point each after a thrilling 4-4 draw.

Main, who were winning 2-1 at half-time, needed an injury time equaliser from Dean Thornton to make sure they grabbed a draw.

Pontefract Colliers climb into the top half of the table after a 3-1 victory at Glasshoughton Welfare.

Teversal are out of the bottom four following a 2-1 win at home to basement side, Eccleshill United.

Eccleshill stay a point behind Worsbrough Bridge Athletic who lost 3-2 at Yorkshire Amateur, courtesy of a late winner from Fernando Moke.

And, Hall Road Rangers are out of the East Riding Senior Cup at the Second Round stage after a 3-2 defeat at Sculcoates Amateurs.

A James McGarry penalty and a goal from Adam Walker was not enough to keep them in the competition.
