Seadogs Announce Acting Manager

(Source: Scarborough Athletic)

Scarborough Athletic have announced an acting manager who will take charge whilst boss Brian France remains unavailable.

A statement on the club's official website reads: "Scarborough Athletic FC has moved to ensure a correct management structure remains in place for the first team squad.

"Following the news that manager Brian France may be unable to take charge of the squad for some time after injuries sustained at Liversedge, an acting manager has been put in place.

"Paul Olsson, who guided the team to victory against Crook Town at the weekend, will step up from his role as first team coach and will be the club's acting first team manager for the interim period.

"The Board will keep the situation under review as more information becomes available about the length of time Brian will be absent as manager.

"Paul has been first team coach for the last 12 months, and will take charge of his first game as acting manager at Hallam this evening.

"Joining Paul on the bench at Hallam will be Brian's son Darren France who has been cleared to assist Paul at matches by his consultant, following a 15-month battle with cancer, which was treated with a bone marrow transplant earlier this year.

"Darren has been keen to return to the set-up for some time, and following the injury to his father has sought the permissions required to help Paul on matchdays.

"The board welcome Darren back to club duties and thank him for his commitment to Scarborough Athletic, and wish both him and Paul well in their roles after a trying time for all at the club."

Boro Players Now Equal Club Owners

(Source: Scarborough Athletic)
 Scarborough Athletic's board of directors will now have to answer to some very special new members of the Society which runs and owns the club - the players themselves!

The majority of Scarborough Athletic's first team squad are now fully signed-up members of the Society - formerly the Seadog Trust.

This means they are equal-owners of the club they play for!

In a recruitment drive over the past few months, new membership co-ordinators Andy Crossland and Fred Firman have increased membership levels by almost 15% - with the current total standing at 590 members and rising weekly.

And within that increase are the members of Boro's first team squad, including Mike Gibson, Rob Northen, Bill Law and Joel Hartley.

Communications director James Hunter said: "The players were all keen to join up when we approached them in the summer.

"They have all paid their £12 membership fee and understand what the Society movement is all about, and how it is the lifeblood of the club.

"It was great to see a few of the lads sporting their membership badges in the clubhouse after the win against Crook last week as well!

"The club is run as an Industrial and Provident Society - Scarborough Athletic FC Limited. That entity runs the club and all members are equal share-holders who can stand for election to the board if they wish.

"Who knows, one day we might even see a player stand for election themselves - although that certainly wouldn't guarantee their place in the team!"

Seadogs In The Pink For Charity

(Source: Scarborough Athletic)

Scarborough Athletic is getting ready to paint the ground pink in the name of a good cause, although not literally of course!

October is national Breast Cancer Awareness month, and the club have come up with a fund-raising scheme which everyone can be involved in.

The main fund-raising effort will see the first team don an alternative kit to their usual red and white home strip for the visit of Brighouse on October 23.

For one weekend only it will look as if the red and white elements of the kit have run together in the wash – as the team take to the Queensgate pitch in an all-pink strip!

This is where businesses and supporters come in – as each shirt number 2-11 is available for individual sponsorship by local businesses or groups of fans.

For a minimum of £50 – although a higher donation can be put forward – businesses can sponsor the front of the strip and have their logo printed upon it.

Or a group of fans can club together to purchase a

shirt and have whichever logo or name they would like upon it.

The businesses or groups involved will receive a special pink certificate of sponsorship, and will receive publicity in a special pink match-day programme.

The goalkeeper kit and subs shirts will feature the logo of current home kit sponsor Shoreline Suncoasters.

Following the game the shirts will be dry-cleaned, signed by the squad and by made available for auction – proceeds of which will go to Breast Cancer Care.

Details of the auction will be released after the day.

The special pink programme for the day will be increased in price to £2, with 50p from every copy sold going to the charity, and the club has invited numerous organisations involved in raising awareness and funds for Breast Cancer Care to the day itself.

And finally, the club is encouraging all Boro fans to wear something pink on the day in support of the fund-raising efforts and the campaign itself.

For more information about the day, to offer sponsorship for one of the kits, contact Boro director James Hunter on 07787 563748.

For details of how your organisation can attend the event, contact Community Director Wendy Danby on 07796 622433.

Match Reviews

NCEL Match Review #14 - 23rd September, 2010 **Eccleshill United became the final KoolSport NCEL team to book their place in the First Round of the FA Vase with a midweek replay win against league rivals, Liversedge.**

Andrew Fieldhouse struck twice for the Eagles with his goals separated by Brook Newton's 41st minute equaliser for the visitors.

Eccleshill now travel to another of our sides, Brighouse Town, in just over a week's time.

Selby Town, however, bowed out of the competition as they fell to a 3-0 home replay defeat to West Auckland Town.

In the only midweek Premier Division match, Scarborough Athletic moved up into the top half of the table with a 4-2 victory at Hallam.

They had to come from behind twice as Phil Reynolds and Wesley Pierce struck for the hosts but first Scott Phillips and then Graham Botham dragged them back level.

Then, two goals in the last fifteen minutes from Rob Northen and Michael Price ensured victory for the Seadogs.

Top spot in Division One changed hands twice in midweek as it continues to be a very tight contest.

Barton Town Old Boys reached the summit on Tuesday night with a 2-1 win at home to Grimsby Borough.

They had fallen behind through a sixth minute goal from Luke Fanthorpe but Ryan Morton equalised before the hour mark and then Matty McKay struck a dramatic injury time winner.

But, Barton stayed at the helm for just 24 hours as they were overtaken by Handsworth who beat visitors Leeds Carnegie, 3-1, on Wednesday evening.

The match was 1-1 after 60 minutes but Tom

Roebuck and then Russell Hobson made sure of the win for the home side.

Staveley Miners Welfare have climbed to third with their 3-1 home win over Shirebrook Town, a victory gained after they went behind to a Simon Johnson penalty on 22 minutes.

They were in the lead by the break, though, as Aymen Tahar restored parity and Ryan Damms converted a spot kick of his own.

Chris Coy grabbed the third with seven minutes remaining in the second period.

Previous leaders Pontefract Collieries were unseated by their no-score draw at home to AFC Emley and there were also no goals in the match between Hemsworth Miners Welfare and Glasshoughton Welfare.

Appleby Frodingham climbed off the bottom of the table with their first points of the seasons, thanks to a 3-1 victory at Rossington Main.

Jack Siddall and David Boccock struck in the last twenty minutes for them after Andrew Culshaw had cancelled out their first half opener from Lewis Blakey.

NCEL Match Review #15 - 27th September, 2010 **Lincoln Moorlands Railway remain the only KoolSport NCEL team in the FA Cup as they progressed to the Third Round of Qualifying without kicking a ball in the competition at the weekend.**

They were given a bye after their opponents Ilkeston Town's sad demise earlier this month.

Thackley missed out on a chance to join them at the next stage as they were beaten 1-0 at Ashington.

Railway, meanwhile, did play in the Premier Division but could not move out of the bottom two as they drew 1-1 at home to Armthorpe Welfare.

Henry Sibenge put the visitors ahead in the first half and it looked not to be the hosts' day when they were reduced to nine men.

Armthorpe also had a player sent off before Luke Forbes grabbed an equaliser for Railway with five minutes remaining.

At the other end of the table, it was a great day for the top two sides as they both posted convincing victories to pull away from the chasing pack.

Farsley AFC remain top after their 7-0 demolition of visitors Long Eaton United.

Steve Mallory, Roy Stamer and Ben Jones had them three-up after a quarter-of-an-hour, Jones netted the fourth after the break and James Knowles, Gareth Grant and Scott Driscoll concluded the scoring.

And, second placed Bridlington Town started even more quickly at Maltby Main, rushing into a four-goal advantage by the nineteenth minute with Alex Rhodes netting twice and Craig Hogg and James Bennett adding to the dream start.

Hogg made it 5-0 in first half injury time before David Gleeson added a consolation late in for Main.

Parkgate move up to third, six points behind Bridlington, after their 3-1 win at Liversedge with, like the two sides above them, all the damage done in the opening period.

Ashley Worsfold's opener was added to by Janni Lipka and William Senior converted a penalty before the interval whilst Dean Wharam scored bottom side Sedge's only goal of the game in the 62nd minute.

Brighouse Town drop to fourth as they were beaten 3-2 at Hallam, although they almost staged a comeback from 3-0 down.

Daniel Hull and Graham Marchant gave them some hope but Martin Brissett's 58th minute strike proved to be the winner for the hosts.

A Lyle Hillier equaliser ten minutes from time earned fifth-placed Pickering Town a point in a 2-2 draw at Tadcaster Albion whilst Selby Town climb to sixth

after their 2-0 victory at Dinnington Town thanks to goals from Chaz Wrigley and Jamal Shain.

Rob Northen's brace helped Scarborough Athletic to a 4-1 win at home to Hall Road Rangers with the Seadogs quick climb up the table continuing as they move up into eighth position.

And, Lee Maturine's 79th minute goal saw Nostell Miners Welfare surge into the top half of the table after their win by a single goal at Winterton Rangers in the lunchtime game.

Staveley Miners Welfare are top of Division One after their 1-0 win at basement side Brodsworth Welfare, Andrew Fox with the vital goal on 29 minutes.

They are two points clear of Barton Town Old Boys who drew 0-0 at home to fourth-placed Pontefract Collieries.

Handsworth are third despite their 5-3 defeat at Bottesford Town, Karl Slack netting twice for the victorious home side in what was a thrilling game with six of the eight goals coming in the last twenty minutes.

Goals are something that AFC Emley desperately crave for as their 0-0 draw at fifth-placed Eccleshill United means they are still looking for their first goal of the league season after five matches and their last three games have ended scoreless.

Louth Town are sixth, four points behind the leaders, after their 1-1 draw at home to Askern Villa and they needed an 89th minute penalty from Danny Warvill to tie the game after Tom McLaughlin had given the visitors a first-half lead.

Leeds Carnegie drew 0-0 at Teversal to be seventh in the table whilst a Nathan Emson hat-trick helped Grimsby Borough secure a 4-3 win at Glasshoughton Welfare to climb to ninth.

A double each from Liam Charlton and Lee Holmes gave Rossington Main victory by the same scoreline at Hemsworth Miners Welfare whilst Worsbrough Bridge Athletic won 2-1 at home to Appleby Frodingham and Yorkshire Amateur were 4-1 victors over visitors Shirebrook Town.

**NCEL Match Review #16 - 30th September, 2010
Leeds Carnegie and Glasshoughton Welfare both picked up 3-0 victories in KoolSport NCEL Division One matches in midweek.**

Carnegie climbed to fourth on Monday, two points behind leaders Staveley Miners Welfare, after dispatching visitors Worsbrough Bridge Athletic.

Greg McGrory struck twice, one in each half, whilst Scott McGrory also found the net early on in the second period.

Glasshoughton were victorious at Appleby Frodingham, Darrell Young, Alex Booth and Dell Pollock with the goals, and move up into eleventh spot.

The spoils were shared between AFC Emley and Grimsby Borough as they drew 1-1 at the Welfare Ground.

Luke Mascall had put the visitors ahead after just two minutes and the hosts had to wait until the last eight minutes to level, courtesy of Danny Toronczak.

The all-NCEL Notts Senior Cup First Round tie ended up being very one sided with Arnold Town beating Terversal 6-0 at Carnarvon Street.

Player-joint manager Chris Freestone struck a hat-trick whilst Jevaise Christie netted a brace and Luke Smithson completed the misery for the home side.

Parkgate won 2-1 at home to Hemsworth Miners Welfare in a friendly whilst Armthorpe Welfare played two thirty-minute halves against Doncaster Rovers' youth team and were beaten 5-3 in a good run-out.

**NCEL Match Review #17 - 3rd October, 2010
Six KoolSport NCEL sides booked their place in the Second Round of the FA Vase in what was an excellent weekend for the League.**

Only Hallam bowed out with defeat at AFC Liverpool whilst seven of our teams face midweek replays, six of those in three all-NCEL clashes.

The most comfortable afternoon belonged to Leeds

Carnegie who were 4-0 winners at home to Easington Colliery.

Greig McGrory scored twice in the opening period whilst Kyle Hawthorne equalled that feat after the interval to secure the victory over the Wearside League outfit.

AFC Emley defeated visitors Runcorn Linnets 3-1 with Craig Rouse's two second-half goals, one from the penalty spot, settling the game after the match was all-square at the break.

Tom Woollard's spot-kick and Carl Stewart's strike as the first period went into injury time saw Tadcaster Albion through at the expense of Tow Law Town, 2-0, at Zinspire Park.

A first minute goal from Ben Porter, added to by two second half strikes from Jack Cross and Kirk Frost enabled Winterton Rangers to progress 3-1 at home to Deeping Rangers.

And, Staveley Miners Welfare won 1-0 at Vodkat League side Ramsbottom United, courtesy of Andrew Fox's 38th minute goal.

The biggest crowd of the afternoon saw an extraordinary tussle between Scarborough Athletic and their landlords Bridlington Town.

777 people saw Craig Palmer give Bridlington the lead on the half-hour and just as the "away" fans were set to celebrate, Ryan Blott forced extra-time with a penalty on 86 minutes.

Blott then gave the Seadogs the lead in the 108th minute from the spot before a third penalty was given in extra-time injury-time, this time to Bridlington.

Palmer slotted it away to make it 2-2 and the two sides reconvene at Queensgate on Tuesday night.

A last-gasp penalty was also the dramatic climax in another all-NCEL tie as Louth Town and Barton Town Old Boys drew 3-3.

The game was level at 2-2 after ninety minutes with the visitors coming twice from behind.

And, when Matt Kennedy got his second and Louth's third in the last minute of the opening period of extra-time, it looked as though there would be no way back for Barton.

But, the referee pointed to the spot in the 120th minute and Richard Medcalf converted the penalty to give the away side another chance to progress on Tuesday.

Brighouse Town and Eccleshill United also produced a fantastic match, needing extra-time before finishing 3-3.

The hosts took the lead on twelve minutes through Luke Malcher but Joe Penn quickly equalised for the Division One side.

Eccleshill went 2-1 up when Matthew Moore found the net on 69 minutes but, once again, parity was quickly restored, this time through Graham Marchant for Brighouse.

Extra time saw Nathan Cartman put the home side ahead once more but Matt Dempsey levelled to take the match to a replay.

And, Arnold Town will also play again on Tuesday after their thrilling 4-4 scoreline at Holbrook Sports.

They were 2-0 up after forty minutes but somehow allowed the home side to lead 4-3 as the match went into its final moments.

But, Jervaise Christie popped up in the 89th minute to bring the scores back level and, with no further scoring in extra time, the Eagles will be travelling to the East Midlands Counties League side in midweek.

Farsley AFC have stretched their lead at the top of the Premier Division to four points but they needed an

injury-time winner from Simeon Bambrook to win 1-0 at Long Eaton United.

Goals in the final quarter-of-an-hour from James Eyles and Franck Zalo earned Nostell Miners Welfare a 3-1 victory at home to Selby Town to move them up into sixth position.

Just behind them are Armthorpe Welfare who were 3-2 winners over visitors Dinnington Town in a match where four of the five goals were scored from the penalty spot.

Michael Blythen netted twice for the away side before Bruno Holden and then Henry Sibenge secured the victory from twelve yards.

Lincoln Moorlands Railway moved out of the bottom three with a 3-0 victory at Pickering Town whilst Parkgate were 4-2 winners at Hall Road Rangers and Maltby Main beat visitors Liversedge, 2-1.

Carl Fothergill's 34th minute goal saw Pontefract Collieries move to the top of Division One with a 1-0 win at home to Yorkshire Amateur.

Grimsby Borough climbed into the top six as they comfortably beat Askern Villa 4-0 in a home match that was played at Barton Town Old Boys' Euronics Ground.

Teversal won 2-1 at Appleby Frodingham whilst there were also away victories for Worsbrough Bridge Athletic at Glasshoughton Welfare, Hemsworth Miners Welfare at Handsworth and Bottesford Town at Rossington Main.

And, Shirebrook Town were 3-0 winners at home to Brodsworth Welfare, Simon Johnson scoring twice for the Langwith Road side with Michael Lyall also finding the net.
